GUEST SPEAKER -- Greeting the Deputy Attorney General for the State of California, (second from right) Charles O'Brien, were Police Chief John Wessely, Chamber Manager Tony Malone, and Chairman, Community Congress, Hal Balin. The Deputy Attorney General was guest speaker at the second annual Chamber of Commerce dinner held at Upland high school on Thursday.

Must Face Hard Reality To Solve Our Problems, Uplanders Told

Jenny Kirkpatrick

"We must take a look in the mirror of hard reality, if we are to solve our problems," deputy attorney general Charles O'Brien told the audience at the Community Congress dinner, Thursday night.

The Deputy Attorney General was the featured speaker at the Chamber of Commerce sponsored meeting, held at Upland high school.

Alluding to reality, O'Brien said, "It is the creative minority, which has kept Democracy on its course. We are not always rational or peaceful, when we have rising crimes, we fall back on the American belief of passing a bill. At the present time there are 65 bills in the legislature dealing with campus unrest. We seem to have fostered the philosophy in this country that if we spend a lot of money and goodwill, we'll solve a lot of social problems. It is our American belief," O'Brien pointed out.

He cited statistics that show our violence. "Our presidents have to have 200 per cent more protection than any other democracy. We have also had more political assassinations between the deaths of the Kennedy brothers than any other democratic nation, and in the state of California there have been 1,051 homicides alone. There are 3,000 hand guns a month bought illegally."

HAPPY MEDIUM

"While we speak of crime we ask the government for the answer. We also face law enforcement with a dilemma; we (law enforcement) are too tough or we are not tough enough. These problems are not confined to one area, but are part of a whole and the government doesn't always have an answer. I think it will have to come from the cities themselves with the citizens having searching dialogue between and among themselves," he added.

"What are we to do, for instance, with campuses of 18,000 when less than 1,000 elect extremists and when the white middle class conservative student becomes a revolutionary?"

"We have to win them back to the idea that changes must be

made through laws and not in the streets. It is a sick society that blames all of its problems and faults on the police."

As for asking the federal government for help, it was the Deputy Attorney General's opinion that more of the money should be kept at home.

Turning to other problems we face, the Deputy Attorney General had this to say:

--The dope problem: "I have gone four times to the legislatures and asked for stiffer penalties; I won't go again. It is a medical and parental problem now."

"I cannot compete with society as a father when he is constantly made fun of. I try to be responsible but society

makes fun of him."

--The black problem: "It is a problem without historical precedent and a problem peculiar to America. The solution must come within the law. We must take a rational look at the laws and stop making the police the beating boys. Change the laws in the legislature and the courts. We are the oldest of the world democracies and the men who drew up the constitution were brilliant and intelligent; they made the laws so they could be changed and adapted peacefully with an attempt to control violence and force a peaceful change."

He charged the group with the responsibility to keep talking with their neighbors. "We have to get first things first if we are to become a rational society," he concluded.

Mrs. Miller Loses Bid For Freedom

Mrs. Lucille Miller, Alta Loma housewife convicted of murder in the flaming death of her husband, a Chino dentist, lost another bid for freedom Tuesday.

U. S. District Judge Francis C. Whelan in Los Angeles rejected her claim that she was being held illegally at California Institution for Women near Chino.

Mrs. Miller, now 39, received a life sentence on conviction of first-degree murder in March 1965. The guilty verdict climaxed a sensational San Bernardino trial which claimed nationwide headlines for months after Dr. Gordon E. Miller died Oct. 8, 1964, in the family Volkswagen as it burned on a lonely foothills road in Alta Loma.

At the trial, the prosecution claimed that Mrs. Miller, then 34, had set fire to the car while her husband slept in the front passenger seat under the influence of barbiturates.

They further charged that she wanted to collect a \$100,000 life insurance policy on her husband's life and marry an attorney.

Mrs. Miller's attorneys filed a petition for writ of habeas corpus, a legal process for claiming a person is being illegally detained,

contending that her conviction was the result of a violation of her rights against self-incrimination, her right to counsel and her right to due process of law.

HAPPY EASTER -- Brenda, 5, and Eric, 2, are set to have a happy Easter now that they've found their Easter basket. Mr. and Mrs. Martin Koons are the children's parents.

What's Doing In Upland?

By Jenny Kirkpatrick

HAPPY EASTER

Wasn't it just yesterday in time that it was Christmas, and now we have arrived at Easter? Christmas may have its special glitter, but I like Easter better. It is much simpler, besides who can resist the soft wind-blown days with the abundance of colorful flowers and fashions to match them. The daylight long hours along with the beckoning call of mother nature to find a tree to sit under and read or to find a mountain stream and drop a pole in it and play a friendly game of tag with the fish. It is a happy time and welcome after the dreary days of rain. Do put on your Easter finery, then put your cares away on Sunday and enjoy this glorious Easter Day.

Parks-Recreation Committee Passes 1969-70 Budget

In a short meeting, the Parks and Recreation Committee approved the 1969-70 recreation budget in the amount of \$30,853. It will now go to the council for consideration and final approval.

Included in the budget was \$21,483 for salaries, \$6,370 for operating expenses and \$2,800 for capital outlay.

In other business, the committee referred the Park Bond issue to the city manager's staff for a review and study and recommendations for the future. A recent bond election was cancelled and is scheduled to be held in the spring of 1970.

Also to be studied, is the donation of playground equipment by the Kiwanis Breakfast club to a park in Upland.

A Message Of The Times

Easter Brings Special Message To Troubled

By Rev. Clark Robbins
Senior Minister
First Methodist Church

"What can Easter mean in a world like this?" the cynic asks. "Just another religious holiday that has no real meaning in a time of frustration, high taxes, and hang-ups."

To all of which the believer brings the remembrance that it was in just this kind of world that the first Easter was experienced. The growing excitement from the early morning word at the tomb, "He isn't here!" to the later exultant shouts of the followers of Jesus, "Our Lord is alive!" is an excitement that adds new dimensions of meaning to twentieth century man. Their world then filled man with frustrations just as cruel as ours, taxes just as high for a government not even their own, and hang-ups in the personal sphere that revealed split personalities and crippling neuroses. But that world did not have the last word. Neither does ours.

Easter adds the dimension which Jesus had talked about earlier in Galilee, "Life abundant" - no limits to one whose faith breathes deeply of the love of God and purposes larger than 24 hours a day of earth-centered living. In the resurrection of their Lord the followers of Christ then and now see the victory which belongs to the spirit. General Douglas MacArthur called attention to this truth as he signed the papers ending warfare with Japan, "It is of the spirit that we must save the flesh."

It is still true, in a day when the flesh is so overshadowed by its own frankensteins, nuclear weapons dangled carelessly overhead, hatreds and fears piling up in man's inhumanity to man, and Playboy philosophies which revive old self-centered pursuits. Certainly, modernity needs the redemption which Easter offers.

When in Russia several years ago I could not help but see that crosses were still above the cities, church after church still standing in a society turned back-

ward upon itself. Some of these churches still hold services. Most are "museums", art treasures of sculpture, mosaic, paintings, and stained glass, telling the timeless story of Christ for all to see. High above Moscow, Leningrad, and Kiev, the crosses still can be seen, reminders to all who will stop and think that there is a dimension to life which is ready to lift man to new ways and to new life. The heart of Easter, however, is still found best in the meaning of personal renewal. Every believer faces death as an open

doorway to eternal life, thanks to Easter. Every defeat can be caught up in a larger victory, thanks to Easter. Every sorrowful look at self as one sees earthly limitations can be overcome by the recognition of the Christ in our midst, thanks to Easter. No wonder it takes the music of a Handel, the skilled artistry of a Rembrandt, or faith as vast as that of a trusting child to shout our Easter greetings best:

"Our Lord is risen! Because He lives, we, too, shall live!"

EASTER MESSAGE -- The Reverend Clark Robbins, pastor, First Methodist church, looks over his Bible at the altar of his church.

Sign Controversy Flares Up Again

Businessmen in the community were angered this week by receiving a letter from Earl Shaffer, senior building inspector, informing them their signs must be removed from their businesses because they do not conform.

The business sector of the community says the letter is "strongly worded," and violates a "gentleman's agreement" between the city and the Chamber of Commerce Civic Affairs and Guidelines committee, who has asked a survey of non-conforming signs be made before any action is taken by the city.

The survey, which was due last Wednesday, had not been delivered before the letter on Thursday, nor is it in the hands of the Chamber yet, according to Paul Hottel, chairman - Civic Affairs Committee and Walter Reardon, chairman - Guideline Committee.

Some businessmen say the letter refers to signs that were removed some years ago, while some businessmen say even though they were told informally that their signs do not conform, they did not receive a letter.

Since City Hall was closed at deadline time in observance of a day of mourning for former President Eisenhower, there is no comment from them.

The sign ordinance has been a topic of controversy since its inception. Businessmen say it is restrictive and retards business; the council claims it is to protect the beauty of the city.

Flood Committee To Meet Tuesday

The Cucamonga Creek Coordinating Committee will meet on Tuesday, April 8, at the Kapu-Kai parking lot on Foothill boulevard at 9 a.m.

The group will then tour the Cucamonga Creek area to the mouth of the canyon and discuss the damage that was done by the floods and the repairs that have been made, according to Mike Rossiter, chairman.

The public is invited to attend.

Cafe, Scales Receive Okay

In a short meeting, the Planning Commission approved two Conditional Use Permits and two tentative tract maps when it met Thursday night.

One conditional use permit would permit the Upland Feed and Fuel Co. to establish a parking lot and a truck weighing scales at Second Avenue.

The other conditional use permit would allow Thrifty Drug Co. to establish a coffee shop in their drug store on Foothill boulevard in the Upland Village.

Easter Bunny Due At Mall Three Days

The Easter Rabbit will visit in the downtown mall on Thursday, Friday and Saturday to give away free Easter eggs. Along with the rabbit will be a free Kartoon Theatre and a free magic show. All the kids, young and old, in Upland are invited.

A SIGN OF EASTER AND FAITH -- Mr. and Mrs. John Baughman and family look over the sign they, and other members of King of Glory Lutheran church, Alta Loma, placed in the yards of congregation members proclaiming their belief that Christ died to atone for sins and rose again to sustain us in our life. This is the second year church members have placed the signs in yards. The Baughman children are Timmy, in his mother's arms, Mark, Debbie and Kevin.

King Of Glory Church Signs Proclaim Christ

The families of King of Glory Lutheran Church Missouri Synod, Alta Loma with Rev. Thomas R. Kosko, pastor, are placing signs on their lawns during Holy Week to remind passersby that Easter celebrates the resurrection of Jesus.

Each sign, a project of the evangelism committee, contains a cross with the message: We believe; Jesus Died; Jesus Lives; King of Glory Lutheran Church.

During Holy Week King of Glory will be holding services on Maundy

Thursday at 7 p.m. At this service Pastor Kosko's sermon will be themed, "New Covenant." On Good Friday at 7 p.m. the sermon will be themed, "Father, Into Thy Hands I Commit My Spirit." Holy Communion will be celebrated at both services.

The Holy Week services as well as the regular 10 a.m. Sunday morning family worship are held at Sweeten Hall, Hellman and San Bernardino Road in Cucamonga.

Seven Episcopal Churches Unite For Friday Service

Seven Episcopal priests will bring to the community the Seven Last Words of Christ at a three-hour Good Friday service. The Rev. John D. Harrison, rector of St. Mark's Episcopal Church, announced the three local Episcopal churches, St. Ambrose, Claremont; Christ Church, Ontario; and St. Mark's, will combine to offer the services which will be held at St. Mark's Episcopal church, 330 East 16th street, Upland.

Father Harrison said that everyone is welcome to attend any part or all of the service, beginning at noon, and terminating at 3 p.m.

Participating in the service will be The Rev. John Keester, St. Ambrose; The Rev. Jon Olson, Christ Church; The Rev. Gillet Bechtel, Episcopal Chaplain of the Claremont Colleges; The Rev. Fred Manville, Priest in charge, St. Luke's, Fontana; The Rev. Richard Hall, graduate student of Claremont Men's College; The Rev. Leslie A. Wilson, associate rector of St. Mark's; and The Rev. Harrison, Mrs. Lolita Hawthorne, music director of St. Mark's, will act as music coordinator for the service.

There's reason to feel secure when your well-saved money is steadily earning 5% interest in the plan that suits you best. At Bank of America you can choose from several basic savings plans, any one of which may be just right for you. Take a look at these:

5% Investors Passbook Account

\$500 will get this one started, and additional deposits can be made in amounts of \$100 or more. Your 5% interest is compounded quarterly. You can make a withdrawal quarterly, too. Or leave your funds where they are to accumulate.

5% Time Certificate of Deposit

Bank of America Time Certificates also earn 5% annual interest. These certificates are issued for \$1000 or more. They mature every 6 months. The 5% interest can be credited automatically to your savings account. Then your total annual rate of return can exceed 5%.

5% Five Year Guaranteed Certificate of Deposit

This is the long term interest guarantee plan.

Certificates are issued for a minimum of \$1000. Five year guaranteed interest at 5% per year paid or credited quarterly. You may withdraw the full amount at the end of any quarter without loss of interest to that date.

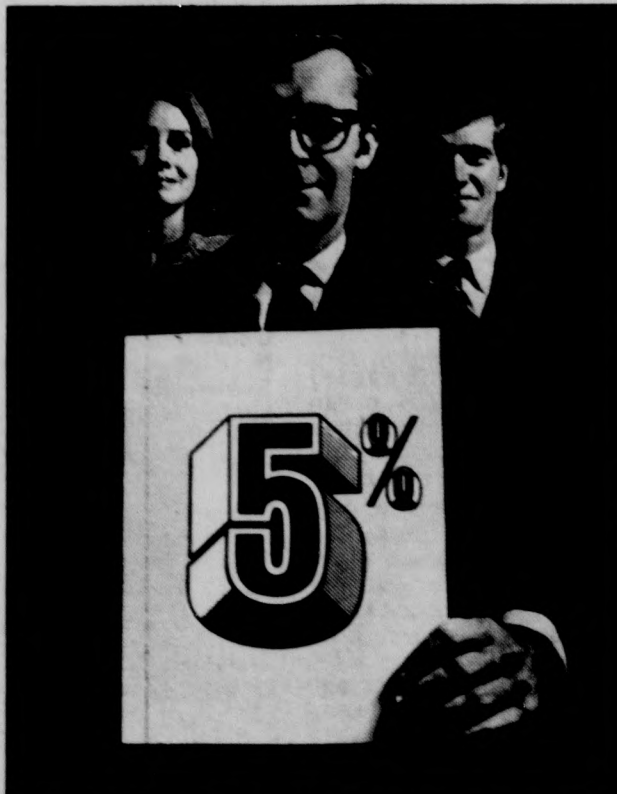

Regular 4% Savings Account

This is still the favorite plan of many because it's convenient, flexible, and at 4% it delivers the maximum interest allowed by law for this type of savings plan. You are free to put money in--any amount. And take it out--all or any part of it--at any time. Deposits made by the tenth of each quarter earn interest from the first of that month.

These are just four of our Personal Choice Savings plans to help your money grow with absolute certainty, and with full interest all the way. So why don't you stop by your local Bank of America branch and take your choice.

Sloman-Dopler Rites Are Read

-Wayne Book Photo

Mr. and Mrs. E. G. Sloman

Miss Patricia A. Dopler was wed to Mr. Edward G. Sloman in morning rites at the Our Lady of Lourdes Church, Montclair on March 8.

The double ring rites were performed by Father Joseph C. Mackey. The bride is the daughter of Mr. and Mrs. Delmer Dopler, 274 N. Palm, Upland. The bridegroom is the son of Mr. and Mrs. Edward E. Sloman of Clarence, New York.

For the ceremony, the former Miss Dopler wore an empire gown of organza embroidered with seed pearls at the neckline and featuring a chapel train. Her six tier, silk illusion veil was held by a flowered headpiece and she carried a cascade of white gladioli. Her only jewelry was a white-gold wedding bell given her by her bridegroom. She was given in marriage by her father.

Miss Rebecca Steward of Upland was maid of honor and bridesmaids were Miss Pamela Walsh, Ontario; Maryann God-

lewski, Alhambra and Theresa Connelly, San Bernardino. Laura Ponsor of San Diego was flower girl.

Best man for the bridegroom was his brother William R. Sloman of Clarence, New York. Ushers were William Manchec of Los Angeles; Donald Zent, Buffalo, New York and Alan Ennis, Fontana.

Organist was Chester Johnson of Montclair.

The reception was held at Orlando's restaurant for 125 relatives and friends after which the couple left for a honeymoon trip to San Francisco. Mr. and Mrs. Edward Sloman and daughter Holly, of New York, attended the wedding and reception.

The new Mrs. Sloman will graduate in May from St. Vincent's College of Nursing in Los Angeles as a graduate nurse.

Mr. Sloman is serving with the U.S. Navy. He has been stationed aboard the USS Yorktown off the coast of Korea and Viet Nam and is due for another tour of duty.

Musical Event Given

The March 11 meeting of Gamma Alpha Iota, held at the home of Mrs. Don Frankson, Upland, opened with Mrs. George Reeder's program entitled "Enjoyment of Music."

Mrs. Reeder is a member of a group known as the "Mothersingers," and along with them, presented a fast-moving musical program of old-time hits.

A ceremony was then held for Mrs. Ron Koustik of Ontario. She was accepted as a new member of Gamma Alpha Iota, presented with her sorority pledge pin and a long stemmed yellow rose, the Sorority flower.

Election of officers was held. New officers for 1969-70 are: president, Mrs. Jerry Wechsler; vice - president, Mrs. Charles Giordano; recording secretary, Mrs. Al Violet; corresponding secretary, Mrs. Karl Leach; treasurer, Mrs. Ralph Jarvis; civil defense, Mrs. Nancy Jenkins; city council representative, Mrs. Mike Jeffers; and city council alternate, Mrs. Ron Percival.

Installation of the new officers will take place May 13, at the Upland home of the incoming president.

CHERRYL JOY PETERSON AWARDED SILVER WINGS

Cherryl Peterson

Miss Cherryl Joy Peterson, daughter of Mr. and Mrs. C. J. Clark, 1383 Springfield st., Upland, has been awarded the silver wings of an American Airlines stewardess and has now been assigned to flight duty out of Boston. She received her wings as a graduate in the sixth class this year at the American Airlines Stewardess College, Fort Worth, Tex. She is 5'5" tall with blonde hair and blue eyes. Miss Peterson studied more than 100 different subjects during her six weeks' training at American's Stewardess college. Subjects ranged from make-up and grooming to in-flight food service and theory of flight.

Cancer Station Reviews Year

Reception of guests and a potluck luncheon served at the noon hour, were events in the eighth annual meeting of the Upland Memorial Cancer Dressing Station held early this month.

Guests attending were Mrs. Bessie Scott, administrator of the Ontario area office of the American Cancer Society, and Mrs. Ruth Custer, chairman of the Ontario Office of the Cancer Dressing Stations. Both gave accounts of the work being done for cancer patients.

Mrs. Scott presented the Upland O.E.S. Chapter Cancer Dressing Station with a certificate of appreciation from the American Cancer Society "for notable assistance in the crusade to conquer cancer."

Mrs. Dale Gross read letters of "regret" from the members of the California Grand Chapter O.E.S. Cancer Dressing Station Committee; Mrs. Christine Winter Oak - land, chairman and Mrs. Margaret Weib, Sacramento, co-chairman.

Mrs. Gross gave the following report of the Upland Station, for the past year: Dressings completed, 11,380; average each meeting 1,035; hours worked, 909 1/2; average attending each meeting, 29.

The next regular meeting will be Tuesday, April 1, at 611 North Third avenue; 9:30 a.m. to 2:30 p.m. (optional), with time for a sack lunch at noon.

Those desiring further information, should call 982-6003.

Story Of Chile On Club Agenda

The March meetings of Xi Gamma Kappa chapter of Beta Sigma Phi featured two guest speakers in conjunction with the group's study of South America.

Guido Mardones from Santiago appeared at the home of Mrs. Gerald Nielsen in native costume to speak on Chile. Mardones who is studying at Chaffey College said that his people are known for their great sense of humor.

Charles Tyron, mathematics instructor at Mt. San Antonio College, presented his own slides of the Inca ruins of Peru. Tyron spent two months in Peru with fifteen college students as part of a Methodist work project to build a social center for the natives.

The programs were arranged by Mrs. Gordon Price and Mrs. Gerald Nielsen.

During the business session, Mrs. Frank Nay was elected president of the group for the coming year.

Her executive board will include Mrs. Gordon Price as vice-president; Mrs. Donald Welland as recording secretary; Mrs. Keith Krumwiede as corresponding secretary; Mrs. Robert Burns as treasurer; Mrs. Ed Brown as civil defense chairman; and Mrs. Krumwiede as city council representatives.

Mrs. Edward Strauss, president, announced she will attend the March Mission California Council Breakfast in El Centro and will present the chapter's annual donation to the Cystic Fibrosis Foundation.

Altar Society

The Altar and Rosary Society of St. Joseph's Catholic Church, in Upland, will have its regular monthly meeting at 8 p.m. Tuesday, April 8, in the Parish Hall.

All ladies are most welcome to come and get acquainted, and to enjoy the evening events.

Albert Bougheys Note 60 Years

Sixty years ago in Vincennes, Indiana Albert B. Bougheys and Latha B. Hull were united in marriage. Saturday, March 8, marked their 60th wedding anniversary. Their nine children honored them with a buffet luncheon at the Ontario Woman's Club.

Hosting the occasion were Mr. and Mrs. Francis Bougheys, Ontario; Mr. and Mrs. Eugene Bougheys, Mr. Albert Bougheys, Mr. and Mrs. Wilford Pain, Mr. and Mrs. Richard Bougheys, all of Upland; Mr. and Mrs. Elmer McInnes, Redlands; Mr. and Mrs. Ronald Toomer, San Jose; Mr. and Mrs. Joseph Bougheys, Ferndale, Michigan; and Mr. and Mrs. William Bougheys, Minot, North Dakota.

In addition to the original nine children there are now 40 grandchildren and 22 great grandchildren, bringing the immediate family total to 83. Friends dating as far back as 1930 attended the celebration.

Also in attendance were Mrs. Myrtle Telford of Macon, Illinois, Mr. Bougheys' sister; Miss Myrtle Hull, Mrs. Bougheys' sister from Salem, Illinois; and Mrs. Bertha Bougheys, Danville, Illinois, sister-in-law of the honored couple.

Albert Pain, a grandson, was unable to attend as he is now stationed in Viet Nam.

Two hundred guests highlighted the day filled with 60 years of memories and acquaintances. The family presented the honorees a pictorial album complete with family history, tree and crest.

When asked what they attributed their long, successful marriage to, they both answered, "We always tried to be considerate of each other and never spoke in anger."

The past 26 years they have resided in the Upland-Ontario area and presently make their home at 1245 N. Fifth avenue, Upland. Prior to this they lived in Rochester, Michigan. Mr. Bougheys was in the laundry business before retirement.

Jrs. Present \$358 Check

The National Charity League Juniors have presented the Bill Simonsen Kidney Machine Fund with a check for \$358, the net result of their recent benefit performance at the Gallery Theater.

The Juniors were pleased to learn that this sum has helped to realize the \$12,000 fund goal and were happy to be a part of the tremendous community response to the need of Mr. Simonsen, a long-time Chaffey high school teacher.

Mrs. Janesick Heads Local Charity League

Mrs. J. Doug Robert - son, president, presided when the National Charity League, Foothill Chapter, convened for their regular luncheon meeting in Griswold's Indian Hill Inn in Claremont recently.

Cymbidium orchids arranged on a tree centered the head table while large paper mache flowers in various hues were used in decoration for the luncheon tables by the Mmes: Donald Shanklin and James Van Antwerp.

The invocation was given by Mrs. Herschel R. Glenn with the salute to the flag being led by Mrs. John H. Hooval.

Mrs. Robertson welcomed Mrs. J. Dewey Harnish, Honorary Patroness of Foothill Chapter and the Mmes: Hooval, Leo J. Lucas and Miss Clara Lou Nisbet, sponsors.

During the business portion of the meeting plans were discussed for the Mother-Daughter Fashion Luncheon scheduled for Apr. 19, at the Western Hills country club. Patronesses were reminded of the Apr. 23 date for National Charity League Chapter Day to be held in Pomona Valley National golf club.

Mrs. Robert Webb, chairman of the election board, announced the newly elected officers for 1969-70 and they are as follows, the Mmes: George K. Janesick, president; Lurwell H. Rencher, first vice president; Rearden Dight, second vice president; Don Wilder, third vice president; Herschel R. Glenn, recording secretary; Hugo J. Melillo, corresponding secretary; Charles Magistro, treasurer; Ralph Duroso, parliamentarian and Wilfred M. Mac

PACKING FOR CONFERENCE -- Mrs. Ronald Alverson, left, received assistance from Mrs. Gilbert Wells as they packed for the Christian Women's Club Conference held in Long Beach March 21-23. Both women are from Upland.

Sirens Fete St. Pat's Day Christian Women Attend Conference

St. Patrick's Day was the theme for the meeting of the Upland Sirens held at the home of Gerry Meyers, 1206 Alta, Judy Emerson was co-hostess.

Prizes were won by Barbara Covill and Connie Morgan. Willie Petronia won the door prize.

Those members who recently purchased a home received house-warming gifts.

Business was discussed and a trip to visit the new Police Station, Fire Station and Library for Brownie Troop 1034 was planned.

The annual Easter egg hunt will be held at the Olivedale Park on April 5.

The area conference of the Christian Womens Club was held March 21-23 at the Edgewater Inn in Long Beach.

Over 600 women were in attendance to hear Miss Mary Clark and Mrs. Helen Baugh, the International co-chairmen of the Christian Womens Club.

Friday night a concert was given by recording stars Dean and Mary Jean Brown, who are nationally known for their renditions of sacred songs. Other

highlights of the conference were interest centers and informative sessions concerning projects and activities of all the Christian Womens Clubs represented in this area.

Those attending were the Mmes. Harry Callaway, Ronald Alverson, Larry Whitcomb, Walter Rieder, High Smith and Paul Musser of Upland, Betty Schmekel of Cucamonga, Mrs. Gilbert Wells of Alta Loma and Mrs. Harriet Carlson of Ontario.

Foothill Council Of PTA's Hears Upland Police Sgt.

Foothill Council PTA met March 13 at Cabrillo School.

The meeting was conducted by Mrs. Stanley Hoffman, council president.

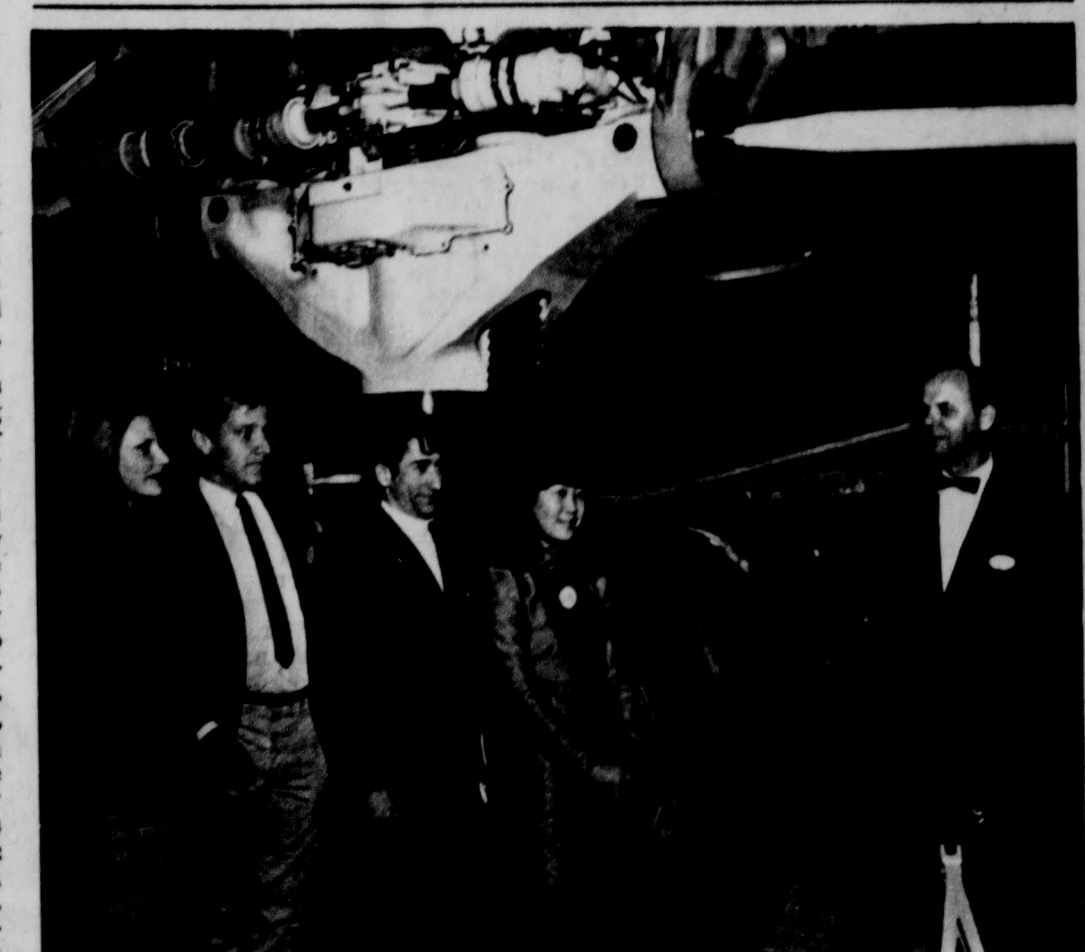

Mrs. Hoffman held a brief meeting with all eighteen new in-coming presidents for the schools. Mrs. Hoffman briefed them on the coming PTA convention to be held in May at Los Angeles.

Special guest for the program was Sgt. T.D. Smith of Upland Police department.

St. Smith discussed a new program where an officer goes to the schools to be with the children and talk to them, play with them and answer questions they ask. He also told how the program is carried into homes in the area to meet with parents in the same way.

Sgt. Smith showed a very interesting film in the life of a policeman, titled "Every Hour-Every Day".

Hostesses were, Mrs. Don Evans, Mrs. Walter Fairbanks, Mrs. Richard Pasma.

Whitney Named To Menasco Co. Board Position

Attorney George H. Whitney has been elected a director of Menasco Mfg. Co. A partner in the Los Angeles law firm of Gibson, Dunn and Crutcher, he has been counsel for Menasco for the past 15 years.

A graduate of Williams College, Williamstown, Mass., Whitney received his law degree from Stanford Law School. During World War II, he was a lieutenant commander in the Naval Reserve, serving in North Africa and the Pacific.

He is a director of the Trona Railway Co. and Hospital of the Good Samaritan, Los Angeles, and serves as a trustee of the Webb School, in Claremont, of which he is an alumnus.

Whitney is also a trustee of Pitzer College and the Honold Library Society, Claremont, and is president of the Friends of the Huntington Library.

A lifelong resident of Upland, he is a past trustee of the California Historical Society, a past president of the Stanford Law Society of Southern California and immediate past chairman of the real property section of the Los Angeles County Bar Association.

CAKE DECORATING -- Watching Mrs. Gerald Oakford spin a sugar mold on a cake is Mike McKenny and Celina Oakford. The students were studying the bakery as part of their curriculum and rather than go to a bakery, Mrs. Oakford offered her services in cake decorating. The students are part of Mrs. Fleming's first and second combination class at Citrus School.

PRESSING CAMPAIGN -- Members of the Old Baldy Council Boy Scout press Upland Mayor George Gibson for kick-off support of their Scout-O-Rama ticket sales. Scouts involved are (l-r) Roger Ransom, Pack 608 (Upland); Ed Ransom,

Troop 607 (Upland); Mayor Gibson; Glen Vonderheide, Troop 642 (Alta Loma); and Chuck Russell, Pack 643 (Alta Loma). The Scout-O-Rama will be held Saturday, May 24, at the Los Angeles County Fairgrounds.

STUDENT PLAY -- As part of their reading program, the third graders at Citrus school presented a play entitled "Easter Bunny and the Gold Shoes." The play was written and produced by the students and was presented to their parents in an

afternoon performance at the school. Appearing in the play were, (l to r) Melinda Hoffman, Pam Piercy, Sherry Eix, Mike Williams, Marian Johnson and Vicki Dixon. Mrs. Ruthann Couch is their teacher.

DAR DONATES TREE -- Mrs. E. J. Dahlstrom, recent, San Antonio Chapter, National Society Daughters of the American Revolution and (r) Miss Ora Lewis, conservation chairman, San Antonio Chapter, helped plant a tree in Magnolia park, Upland, in observance of Conservation Week. Helping is Elwin Alder, city manager, Upland. The organization donated three red bark eucalyptus trees and several shrubs.

Narcotics, Econ. Topics Highlight Congress

Panelists participating in the Community Congress held many a lively discussion with the audience attending. Most of the afternoon was taken up with the various problems facing Upland.

In ten minute summaries given, the consensus of opinion on the various panels was as follows:

THE ECONOMIC DEVELOPMENT OF UPLAND

Russ Hazen, moderator. Do we want and need commercial development in the city of Upland? Yes, if for no other reason than that people are demanding more services from government, and to provide these services, an increased tax base is needed.

What type then? The agriculture business that was once a factor in the community is now dying out where at one time 20,000 acres were under agriculture. It is now 2,600. A 20-acre industrial project could provide as much tax money as the agriculture.

HOLD UP ZONING. The zoning is being held up on industry; there are 878 parcels zoned in the master plan; they must be released now so a go-ahead can be given.

The sign ordinance needs revamping. Some 50 per cent will have to be replaced and this costs

money. A recent letter on signs from a city department was strongly worded and some who received them had taken them down several years ago. The sign ordinances that apply to downtown do not necessarily apply to the Foothill boulevard area.

The architectural commission is opposed by most businessmen as they say the decisions are made on a personal basis rather than design.

SCHOOL TAXES TAXPAYER AND THE SCHOOLS

Wiley Mather, moderator. This is a highly controversial matter and the only thing the panel agreed upon was one good place to have a tax was on the other fellow. It was agreed that plucking the tax chicken to get as many feathers as possible without his squealing was in order.

The school officials said their main source of money was through local property taxes, with some from the state and a little from federal funds. Tax reform was an absolute necessity.

Also, a greater tax base would have to be provided. We can no longer afford the luxury of being a bedroom community. The tax base can be increased by more industry; try to get the state

to give a more fair share.

The negative attitude toward the schools must be eliminated. However, Mrs. Doody, who was representing the taxpayer on the panel said, "those taxed turn down bond issues because they cannot face any more taxes." Mather agreed there was lots of opposition but no remedies for taxes.

TEEN AGE RE-CREATION AND EMPLOYMENT

June Teltsworth, moderator

Whose responsibility is the free time and the employment of the youth? If it is the cities; then teen centers and recreation programs must be provided. The schools could also be recreational centers. There is not enough employment in the city for teens. Here, the people themselves need to help the young employee get and hold a job.

COMMUNITY MORAL AND ENVIRONMENTAL INFLUENCE

Rev. Bruce Gabbert, moderator

The morals of the nation are in a flux and there are changes all around us. There is strife, a war and a generation gap which is complicated by mass media, all of which must be solved at the local level. Technological changes are the easiest and moral changes are hardest. Hypocrisy in adults, biases of minorities and lack of good human relations cause problems.

NARCOTICS - A PROBLEM IN UPLAND?

Detective Coy Estes, moderator

It was a lively discussion and we do have a problem in Upland. There were 116 arrests made in 1968 which is a 350 per cent increase over 1967. The dope is taken for

self-gratification, to seek values and because the takers are pre-conditioned by mass media.

The solutions suggested were education programs in the schools and parental discussion of the problem with children. There is not enough publicity for good kids. One thing the police department does is to try and settle the problem by referral when the first offense occurs.

In the final summary, Dr. Wiser said, "This talking together, defining problems and coming up with suggestions for solutions for the future is good."

Defense Directors Appointed

A public meeting was held on March 14 at the Cucamonga Fire Department to appoint officers in the newly formed Civil Defense unit.

The appointment of officers were announced by John Butler, director. Matt Montee was named assistant director; Charles Watson, personnel director; Floyd Clayton, services and supply director; Donald Sperry, administrative director (package disaster hospital); Mrs. Therese Navarrete, secretary and treasurer.

A public meeting was held on April 1.

More help and equipment are urgently needed. Additional information may be obtained by telephoning 987-4373 or 987-3936.

SURPRISED!--When Mr. and Mrs. Jeffrey Fort, 6816 Amethyst, Alta Loma, looked at their front windows a couple of weeks ago they found a great, big sign, courtesy of the Alta Loma Fire Department of which Fort is a volunteer. The department helped them celebrate the arrival

of Suzanne Estelle, whom they had just adopted. The baby was 4 weeks old when her parents proudly brought her home. Shortly after the sign went up, the Alarms, wives of department firemen, surprises Mrs. Fort a second time with a baby shower.

Teen Center Activities Upland Meet -- Challenge Of Times, Alder States

The City's Teen Center a former city fire station, is getting the comforts of a home away from home for 13 through 19 year-olds. The center, located adjacent to city hall has been repainted on the inside by dozens of teen-agers led by members of the newly formed Teen Council. The building itself contains two dance halls, an office, snack bar, large recreation and pool room, plus

Some 200 people gathered for the Second Annual Community Congress, sponsored by the Chamber of Commerce and held at the Upland high school Thursday.

The Congress opened with registration and an opening assembly, with City Manager Elwin Alder giving the opening address. He said in part:

"It's an interesting occasion and beneficial event to get together each year as a community and talk about community progress. Last year, in the opening session, we talked about many of the physical facilities which serve the people of this community. We also reviewed long range community planning that had taken place."

"Community progress is the forward movement or gradual betterment by successive steps or degrees toward an objective of contented, useful well-balanced and pleasurable living."

The higher the assessed valuation per capita, the better able the local government is to finance urban services. Let's look at Upland's population growth and the growth of assessed valuation and the trend in assessed valuation per capita.

PROGRESS SHOWN "Many other services of city government have shown progress in the past year, to mention a few - water bonds and improvements; sister city program; refuse disposal; subdivision proposals up 40%; number of building permits up over 5%; dollar value of building construction up 20%; staff member assigned to work with and assist newcomers to Upland such as builders-developers, industrialists, businessmen, investors; narcotics expert on police staff; working with other political entities to create a regional sewer system to serve the west end."

"In the past year, as in previous years, Upland has met the challenges of a growing community and retained its right to the title of 'The City of Gracious Living.'"

Safety Comm. Meeting Slated

The Safety Committee of the Alta Loma - Cucamonga - Etiwanda area will hold its next meeting on April 9 at 7:30 p.m. at the Alta Loma Elementary School Cafeteria at 7085 Amethyst.

Dick Roberts, County Health Department, will be present. He will present the laws on leashing of dogs and introduce the new Rabies Control Officer for the West End. The public is invited.

Among the many activities to be incorporated in the near future for the teenagers of this city, for their leisure time participation are:

Pool games, ping pong, dart games, basketball, baseball, badminton, shuffle board, dances, table games, volleyball, weight lifting, record playing, use of library, TV watching, bar-b-q's, bicycling caravans, trips to Dodgers and Angel games.

The Teen Center Membership cards are on sale daily at the Teen Center. Purchase price is \$2. Teen-agers are encouraged to purchase their membership cards as this will allow cut-rate prices on all upcoming activities.

Radio Commentator To Address Women

Edmond Haddad

Edmond Haddad, news editor for KPOL, will talk on "News Management" at the April 8 luncheon meeting of the Upland Woman's Club.

Haddad has been news editor and commentator for the Los Angeles station for the past eight years, speaking on each evening at 6 p.m.

The veteran broadcaster is a specialist in political commentary and covers most major political conventions. He travels extensively with state and national candidates.

A keen believer in the American system of the government, Haddad believes in constructive and articulate criticism as well as praise. He holds a master's degree in political science from Columbia University and a bachelor's degree in telecommunications from USC. In 1968 he received the coveted American Political Science Association award for distinguished reporting of public affairs. He was honored by the Radio and Television News Association of Southern California with a Golden Mike Award

as best commentator for 1967.

Mrs. L.H. Banta and Mrs. Russell McKee are chairmen for the noon luncheon. Mrs. Nellie McNeil is handling decorations and Mrs. Harry Wright, Mrs. Charles Benninghoff and Miss Florence Armstrong will greet members and the guests.

Mrs. L.B. Van Ornam, president, will conduct the business meeting prior to the program.

Flower Awards

The Arts and Crafts and the Garden Sections of the Upland Woman's Club have had a very successful year.

At the Arts and Crafts Show and the Flower Show held February 27 in San Bernardino, the club women won 13 blue, 3 red, 5 white, and 2 honorary mention ribbons.

The winners were Mrs. Donald Jarvis, G. W. Simkins, L.H. Banta, H. L. Presba, Wesley Cummings, C. E. Reimers, L.B. VanOrnam, Russell McKee, Thomas Photos, Adrian Seeley, Neal Van Dorin, and Mildred Briggs. This is the greatest number of ribbons the Upland Woman's Club has won at the Arts Festival, a yearly District event. Sixteen women from the local club attended the affair.

Mrs. Donald Jarvis entered two table settings in the National Orange show in the name of the Garden Section of the Upland Woman's Club. She won two ribbons. The prize money will be used by the Garden Section to further their projects.

AFS White Tag Successful

Final totals for 1969's AFS White Tag sales held March 14 and 15 have been released by Ed Kennedy of Upland High School and Miss Mary Pollock of Alta Loma High School.

Net sales amounted to \$3,153.04 with the Alta Loma students selling \$882.40 worth of White Tags and the Upland students accounting for the balance of \$2,260.64.

The combined efforts of students, merchants, and administration again this year were considered most successful as the general public effectively supported this worthwhile program.

A special effort on the part of the various clubs at Upland High school netted good results this year as more than 100 students went out on Thursday evening March 13 to canvass the community in small groups.

Students returned to the cafeteria to be served punch and cookies. Arrow Dairy furnished the punch and the adult chapter of AFS supplied the cookies.

Mothers assisting in the serving that evening were Mrs. Gene Alair, Mrs. Larry Whitcomb, Mrs. Richard DuVal and Mrs. Richard Hutton.

William Woodward

UPLAND - Radarman Seaman William L. Woodward, USN, son of Mrs. Anita F. Woodward of Upland, is serving aboard the guided missile frigate USS King off the coast of Vietnam.

King is operating in support of U.S. Seventh Fleet operations. It is designed primarily as an anti-aircraft and anti-submarine warfare ship, but can also screen high speed task forces, support amphibious operations, or operate as an independent unit.

HLM Award Given To Hettle

Recently, the Honorary Life Membership Award was presented to Donald Bruce Hettle by the Cucamonga Junior High School.

Hettle was born in Saskatchewan, Saskatchewan, Canada. He grew up in Long Beach and graduated from Wilson High School. He attended the University of Arizona. He spent six years in the army.

He has long been active with the Boy Scouts, the Indian Guides, 4-H program, Little League, the Pony League, and many other civic activities.

The recipient is married and has two children attending Alta Loma High School. He runs a feed and milling business in Ontario and is presently

serving his second term on the Board of the Central School District.

Slo-Pitch Sets April 9 Meet

UPLAND--Persons or organizations interested in entering a team in the Upland Slo-Pitch Softball League are invited to attend an organizational meeting April 9 at 7:30 in the gym at Upland Junior High.

All persons or organizations interested in entering a team must be present at this meeting. League play, rules, practice schedules, etc., will be discussed. The league will be limited to the first fourteen teams to pay the entry fee. League play gets under way in early May. Games will be played at Memorial Park. Additional information regarding the league may be obtained by contacting Dan Milakovich, 985-2125.

Persons or organizations interested in entering a team in the Upland Slo-Pitch Softball League are invited to attend an organizational meeting April 9 at 7:30 in the gym at Upland Junior High.

HEARING TEST -- Helping test the hearing of a pre-school boy are Mary Louise Duck and Joan Stevens, volunteer PTA workers, who helped in the vision and hearing tests for pre-school children sponsored by the Foothill PTA Council.

Pulse of the Plaid

By Andy Wilson

Upland High is beginning its wind-up of activities, sports and elections are just about the only activities of interest until June.

Student body officer campaigning begins next Monday. It appeared last Friday, however, that some offices will be open for a lack of candidates. Whatever, those offices which must be filled are ASB President, senior only; Vice-President, a junior or senior; Treasurer, sophomore, junior or senior; Secretary, a sophomore, junior or senior; Social chairmen, junior or senior; Pep Commissioner, junior or senior; and Advertising Manager, sophomore, junior or senior. Each candidate has been approved by his or her counselor and has at least a 2.6 GPA.

Class officer elections will be the middle of April. Girls' League and Athletic Commissioner in May, Mascot election in May, and applications for appointed officers in June.

Girl Scouts Given Money By Foundation

Spanish Trails Girl Scout Council is the recipient of a \$500 grant from the Sears-Roebuck Foundation. It was announced recently by Mrs. Joseph Axline, Council President.

In further clarifying the purpose of the grant, Donald L. Primrose, Regional Director, Southern California Area of the Sears-Roebuck Foundation stated, "the monies will be used for training aids to troop leaders who will serve in disadvantaged areas. Sears considers it a privilege to be of assistance in this direction of Spanish Trails Girl Scout Council."

J. S. Ambrose, from Pomona, Representative of the Sears Foundation, recently presented a check to Mrs. Axline and Mrs. Sanford Newton, Jr., Relationships Vice-President.

Stork Tells Fund Needs

Parents and teachers attended the recent evening meeting of the Alta Loma elementary school PTA. Mrs. Salyer, vice-president, conducted a short business meeting followed by Floyd Stork speaking on the upcoming school bond issue on the April ballot. He informed those attending that if the bonds aren't passed the present school system will suffer greatly due to lack of funds.

There was a short question and answer period followed by refreshments.

We care where our product is served.

Beer served in pleasant and wholesome surroundings is the aim of the United States Brewers Association. And we are always striving to do something about it.

The USBA is represented by field men around the country. They meet with proprietors of establishments where beer is sold. They work in every way possible to promote a set of high standards wherever beer is served.

This USBA effort means even more enjoyable places for America's great beverage of moderation.

NOTICE INVITING BIDS

For City of Upland Gas Tax Project No. 219, the widening and improvement of Eighth Street (south side) from 1,020 ft. to 1,425 ft. west of San Antonio Avenue, including: earthwork, removal of existing stand pipes, construction of P.C.C. curb and gutter, sidewalk and drive approach, placement of asphalt concrete paving, planting of street trees; and appurtenant work.

NOTICE IS HEREBY GIVEN that sealed bids will be received in the office of the Purchasing Agent of the City of Upland, California, up to 2:00 PM on April 16, 1969, at which time they will be taken to the Council Chambers and publicly opened by the City Manager, for Gas Tax Project No. 219, the widening and improvement of Eighth Street (south side) from 1,020 ft. to 1,425 ft. west of San Antonio Avenue, in accordance with Construction Plans, Specifications, Standards, and other Contract Documents on file in the office of the City Engineer of said City, to which Plans, Specifications, Standards and Documents bidders are referred for further information.

Plans and Contract Documents may be obtained at the office of the Purchasing Agent, at the City Hall, 177 "F" Street, Upland, California, upon payment of One Dollar (\$1.00) for each set, which amount will not be refundable. Standard Specifications for Public Works Improvements books may be purchased at the office of the City Engineer at a charge of Four Dollars and Twenty-five (\$4.25) for each book.

Each proposal must be accompanied by cash, certified check, cashier's check, or surety bid bond in the amount of not less than ten per cent (10%) of the estimated aggregate amount of the bid as a guarantee that the bidder, if successful, will promptly execute a contract in the required form and furnish a satisfactory faithful performance bond and material and labor bond. Each of said bonds shall be in the amount of one hundred per cent (100%) of the contract price.

Pursuant to the provisions of the Labor Code of the State of California, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate of per diem wages for legal holidays and overtime work, for each craft or type of workman needed to execute the work contemplated under the Agreement, as ascertained by and set forth in Resolution No. 2073 adopted by the Upland City Council, shall be paid to all workmen employed on said work by the Contractor or by the subcontractors doing, or contracting to do, any part of said work.

Bids must be returned to the office of the Purchasing Agent enclosed within a sealed envelope with the words "Bid - Gas Tax Project No. 219" plainly marked on the outside of the envelope. The right is reserved to reject any and all bids which the City Council may deem not to be to the best interest of the City and also the right to waive any informalities in a bid, and the right to award the contract for the above described work within 30 days thereafter. Work of construction shall begin within 10 days after the signing of the contract and shall be completed within 45 calendar days after the date of the contract. Further information will be furnished and detailed plans and specifications of the proposed work may be inspected at the office of the City Engineer of the City of Upland. Proposal blanks and copies of the Plans and Specifications may also be obtained from the Purchasing Agent.

HONORABLE MENTION--Dan Inhoes, Upland High School student, receives congratulations and a desk set for his speech given in the Breakfast Lions Club speak-off held recently. Presenting him the award is Fred Kramer, sec.-treas. of the club.

Young Speaker Tells Youth's Hopes And Fears

(Eds. Note: This is the second in a series of speeches given by Upland High School students who participated in the Upland Breakfast Lions Club speak-off held recently.)

Dan Inhoes is a junior at Upland High and plans to attend a Junior College and then finish his last two years at another college. He plans to be a history teacher. He won honorable mention in the contest. Following are excerpts from his speech: "The Hopes and Fears of Youth Today." Don started his speech with a reflection of a high

school graduate who must go to work rather than to college. The young man fears the world he is stepping into. "Most teenagers today are insecure. They fear the outside world. They often wonder what will become of me. Can you tell him?" "Today with the world as it is many youths fear the possibility of all out war. They also fear death for they realize that they will be drafted into the armed forces and probably serve in Vietnam or some other South East Asian country."

"Because of this they alienate themselves from all branches of life. They turn away from the world, because they can't stand the ugliness. And in turn you adults turn your backs on them."

The young speaker then said that youth was told to be "seen and not heard" all of his life and then is turned out and told to swim or drown, when this happens the youth becomes very insecure and sometimes violent.

He then spoke of the curriculum used by one teacher that was 23 years old. The older man prided himself on never changing it from year to year. Don said this needs to be changed as the youth of today are avid TV watchers and are able to assimilate something in 60 seconds or the time it takes a commercial to run. The schools need to change the curriculum to fit this new pattern.

He then related the problems facing the youth who rebel and how they are called "revolutionists" and about the hypocrisy in the streets and in politics.

"This system turns out a batch of know nothings, the youth is taught how to read and write, but is he taught to be a human being?" Help those kids out there on the street who use dope. Help the poor educate their children with better teachers not slow ones of today and with new educational methods. Most of all stop a war that exists and end the insecurity of today's youth," he concluded.

Airports Face Many Problems - Speaker

You may be able to fly to New York from California in four hours, but it may take you another four hours to get to the airport and then for want of a parking space, miss your flight.

Airports and people who use them face this dilemma daily. Robert Hamilton, manager of the Ontario airport, told the members of the chamber of commerce at a recent meeting where he was the guest speaker. He was introduced by William Rugg.

In tracing the problem it stems mainly from the clogging of ground transportation, but there is also the sky traffic problem.

"Yesterday is tomorrow," when it comes to building airports--they are obsolete before they are finished," he said.

The reasons are many fold, Hamilton told the group. Maintaining air-

ports is one problem, getting enough help and preparing for emergency situations such as when it's foggy and the passengers are grounded and airport facilities are overtaxed.

Then, there is the problem of controls by the Federal Aviation Agency and local planning commissions as to what and where and how buildings and related items may be done, he added.

The FAA also controls the routes and who knows when they will start or stop one and so there is no way to determine the size of an airport. "We suffer from affluency," in that everyone can and does fly," Hamilton said.

Airplanes keep getting larger and more and more passengers are carried. Air space is a problem for commercial as well as private airplanes. Many private airplanes now dot the skies and they need airport facilities, too. Add all of these problems to the parking problem and it is a gigantic one, he pointed out.

It is sheer numbers game overhead and underfoot, then add the weather problem and noise and this makes the problems double and triple.

What about the future, will these problems be resolved? Perhaps, by the smaller satellite airports, rather than large ones, perhaps by making the smaller ones in various spots rather than in one area.

Committee Hosts Pomona Speaker

Plans for a Clean-Up Week campaign to be held in May and a guest speaker highlighted the recent meeting of the Beautification Committee sponsored by the Chamber of Commerce. Presiding was Mrs. Harvey Doody.

The guest speaker was Alec Turner, manager, Claremont Chamber of Commerce and assistant manager of Pomona Chamber of Commerce. He told the group that the Pomona Beautification program had been in operation for 12 years and they recently won a trophy in competition with other cities their size. The results were that a beautiful engraved trophy is the proud possession of the city.

Turner, told the members, Pomona beautification committee is made up of interested citizens, city dept. heads, and the service club representatives. Membership in the chamber is not necessary to belong to the group only an interest in city beautification. The emphasis is on a broad spectrum of participation by the community.

The Pomona group holds monthly meetings at noon, at different restaurants in the city to give those living close by an opportunity to attend. At these meetings, general business is conducted. Other programs relating to beautification are held in sub-committees which meet at the

convenience of their members.

Judging teams for contests in the city beautification program are done by those not on any committee so as to involve others in the community. The judging is done personally in tours and rated by a point system to eliminate bias. The major program is the four seasons award given four times.

These awards are given in the fall, winter, spring and summer. Other programs of beautification are, Clean - Up Week, which the city cooperates in picking up anything in the trash for two weeks. Last year over 200 tons of extra refuse was collected, Turner said.

In December a Christmas decoration contest is held, which is for homeowners and commercial enterprises. In March, the Plant-A-Tree-Week honors Arbor Day and in June there is an award for general improvement by the citizens of the city.

Mrs. Doody said the Upland program will be patterned after the Pomona program, with some variations. The first project will be a Clean - Up Week campaign and will be held in May.

Taxpayers Urged To Check Tax Requirements

California's community property laws must be taken into account if married couples file separate federal income tax returns, F.S. Schmidt, the District Director of Internal Revenue, said today.

Married couples filing separately must determine what is community property and income and what is separate property so they can report income and expenses accurately on tax returns, Mr. Schmidt said.

When married couples file separate returns, Mr. Schmidt said each should take half of the community property and add it to their separate property and income. If a dependent is supported with community funds or if each spouse contributes equally to a dependent's

support then either may claim the full exemption. An exemption may not be divided between taxpayers he said.

Mr. Schmidt also pointed out that when married couples file separate returns each must handle deductions the same way. If one itemizes so must the other.

An illustrated worksheet showing the different treatment of income and deductions for a husband and wife filing a joint return compared to separate returns is contained in Publication 555, "Community Property and the Federal Income Tax". For a copy send a post card to the District Director, Internal Revenue Service, Tax Forms, P. O. Box 1711, Los Angeles, Calif. 90053.

Flood Control Red Tape Stirs Up Cong. Pettis

WASHINGTON, D.C.-- A verbal blast at Congressional red tape was included this week in a demand for federal flood control aid for San Bernardino County.

Congressman Jerry L. Pettis, R-Loma Linda, in testimony before the subcommittee on flood control of the House Committee on Public Works, stated:

"The January storm caused \$9.5 million in damage in the Cucamonga area, and also loss of one life, as a result of Cucamonga Creek running wild. It is ironic that we have an authorized flood control project for Cucamonga Creek which would have prevented this had it been completed.

"The entire project will cost about \$30 million. Another \$3.5 million in damage was caused by the February storm in Cucamonga, and now we are at the point where this year alone \$13 million-nearly half the cost of the entire project-has been lost because the project has been kicked around for years."

Pettis reported that total county damage in what he termed, "...the worst natural disaster ever suffered by the people of my district...", stands now at more than \$53 million.

Rebuking the delays in approval and funding of federal flood control programs, the 33rd District representative charged:

"If we had undertaken a crash program after the severe 1965 floods, which should have awakened us to the need, and if we had cut through the red tape which so often smothers these projects and drags them out for years, the projects would now be far enough along to have prevented most of the damage from the 1969 floods."

Pettis said that floods in 1938 and again in 1943 caused washouts on Lytle Creek that cut rail lines, placing three major transcontinental railways out of service.

"This posed a dire threat in 1943 when the rails were transporting war materials for the buildup of supplies needed in the Pacific campaigns. This threat jolted the federal government into immediate action on flood works on Lytle Creek.

"It is worthwhile to note that, although the 1969 storm was comparable to those in 1938 and 1943 those rail lines were not damaged. That's an investment that certainly has paid off."

The congressman said he would ask emergency authorization of \$50,000 be made in the current fiscal year to initiate pre-construction planning on Cucamonga Creek and budget authorization of \$800,000 during 1969-70 for planning to promote the earliest possible beginning of construction.

"San Bernardino County Flood Control District reports that projects totalling \$219,978, 100 in cost are needed to complete the flood control protection we need in the county. The local share of this will amount to 20 to 30 per cent.

"This means for less than \$200 million in federal expenditure we can prevent damages of more than \$50 million the next time we have storms such as we have had this year-at least \$50 million.

"The next time, with the growth we are experiencing, the price would go up," Pettis said.

Beginning at a point on the center line of Holt Avenue, being the northeast corner of the most westerly 10 acres of said Lot 30, as owned by F. W. Olmstead; thence southerly following said Olmstead's east line, 1103.3 feet to the right of way of the Southern Pacific Railroad Company; thence easterly following said right of way, 397.3 feet; thence northerly parallel with said Olmstead's east line, 1089.5 feet to the center line of Holt Avenue; thence westerly following said center line, 397.3 feet to the place of beginning. Excepting therefrom that portion lying within Holt Avenue.

Also excepting therefrom that portion deeded to George Clifford Reeder and wife, by Instrument recorded May 6, 1947 in book 2055, page 168, Official Records, as follows:

Beginning at the northeast corner of that certain parcel of land conveyed to Lawson DeWitt Reeder and George Clifford Reeder, as trustees recorded October 18, 1933 in book 900, page 373, Official Records, said corner being in the center line of Holt Avenue, and distant thereon measured westerly 531.92 feet, from the intersection of said center line of Holt Avenue with the center line of Ramona Avenue; thence south along the east line of said land as conveyed to Reeder, 303 feet; thence west parallel to the center line of Holt Avenue, 143.76 feet; thence north and parallel to the east line of said Reeder land, 303 feet to the center line of Holt Avenue; thence east along said center line, 143.76 feet to the point of beginning.

Also excepting therefrom that portion of said land within the 200 foot right of way granted to Southern Pacific Railroad Company, by an Act of Congress approved March 3, 1871, such rights, titles and interest therein as were not actually conveyed to the patentee by the patent dated June 10, 1876, executed by the State of California recorded in book "A", page 210 of Patents.

Also excepting therefrom that portion which lies northerly of a line that is parallel with and distant southerly 535.80 feet, measured at right angles, from the southerly line of Holt Boulevard, 100 feet wide.

Generally described as being located at 4377 Holt Boulevard and 4401 Brooks Avenue. Any person interested in the above proceedings may appear at the time and place indicated and testify in favor of or in opposition to the subject proposal. All maps and pertinent data may be inspected at the office of the City Planning Department.

Measure Would Reduce Mobile Home Insurance

SACRAMENTO --- Assemblyman Jerry Lewis of San Bernardino has introduced legislation designed to reduce insurance costs to the average mobile home owner in California.

"I have long been concerned," Lewis said "with the facts that life insurance and disability insurance attached to the kinds of long-term loans nor-

mally used for mobile home purposes are sold at a premium rate which is considerably higher than normal life insurance market rates."

Lewis explained his legislation would place under supervision of the state insurance Commissioner's Office, mortgage loans which have a payoff period up to 10 years.

"Presently the law provided for the Commissioner to regulate life and disability insurance attached to time payment contracts which extend only to five years."

Lewis said most mobile homeowners purchase the trailers on time payment contracts which extend beyond five years which are not regulated by the State.

"I have found because of this discrepancy in the law," he said, "in many cases the insurance premium charged was excessive."

Under the Insurance Commissioner's supervision, Lewis said, there should be substantial cost reductions to the mobile homeowners.

Col. Sanders Gift Surprise Here

There's an Easter celebration going on at Col. Sanders' Kentucky Fried Chicken in Upland, Tuesday through Saturday (Apr. 1-5).

A dozen extra large, fresh eggs and an Easter egg coloring kit will be given away free with each purchase of a bucket or barrel of Kentucky Fried Chicken at 985 West Foot-hill Blvd., operated by John Coker.

"Now it doesn't matter which came first, the

chicken or the egg," Coker said, "because you get them both."

More than 180 Kentucky Fried Chicken kitchens in Southern California are participating in the second annual Easter party.

One of the largest food franchises in the world, there are now over 1,800 in operation in the U.S. and points around the world such as Canada, Japan, West Germany and Hong Kong, according to Coker.

Demo Woman Says Sen. Coombs Should Quit Because Of Gift

ONTARIO --- Democratic State Women's Chairman Adele Leopold declared today (Wednesday) that San Bernardino County's State Senator William Coombs "should be barred from public office because of obvious corruption."
 Mrs. Leopold, speaking before a luncheon of the West End Democratic Club at Mural House, noted that Senator Coombs accepted a truck

from the California Association of General Contractors after authoring a legislative bill giving the contractors a \$12,000,000 tax break.
 "There's only one way to describe what Senator Coombs did. It was corruption, pure and simple. If it's impossible to prosecute him because of the loopholes in our present laws, the voters of San Bernardino County should at least take steps

to remove Senator Coombs from office."
 Mrs. Leopold urged the passage of Assembly Democratic Leader Jess Unruh's omnibus conflict-of-interest bill "as the one sure way we have of halting corruption in the State Government."
 "Our present laws are an invitation to thievery. They make a mockery of the whole system of ethics in government."
 "We can hardly expect

our young people to take the advice of governmental leaders when those same leaders blithely ignore their own supposed standards of morality.
 "If a State Senator admits accepting a personal gift from a group he helped give a \$12,000,000 tax break, we can only speculate on what other favors he might have received secretly from groups."

New Arrivals

Mr. and Mrs. Rafael Bencomo, 10123 24th St., Cucamonga, have welcomed a new baby son, Rueben Ray. The boy weighed 8 lbs. 1 ounce when he arrived at San Antonio Community Hospital Jan. 13.

Quimby Pushing Bill On Jai Alai Betting

SACRAMENTO --- Assemblyman John Quimby (D-Rialto) is making another attempt to allow pari-mutuel wagering on the sport of jai alai, with the introduction today of such a bill into the State Legislature.

Quimby introduced a similar bill two years ago, however the bill was withdrawn by the law-

maker because other revenue measures were being considered along with the proposed tax increase plan of Governor Reagan.

Quimby said that because of the urgent need this year for additional revenue, he is re-introducing the bill.

Quimby said that besides the entertaining features of the sport, California could realize a new source of tax dollars, nothing that his studies showed that in the first year of operation the state could receive almost \$4 million in new revenue.

Based on the success of the sport in Florida, Quimby explained, "more than \$14 million could be gained by the state after four years of operation."

Quimby said his bill calls for the licensing and regulation of jai alai and places the administration of the law under the California Horse Racing Board.

The bill permits pari-mutuel wagering on jai alai contests under detailed procedures. There is a provision also for charity days, licensing procedures, wagering controls, revenues and penalties.

Quimby said the Horse Racing Board indicated that for purposes of an estimate, five jai alai frontons, or arenas could be operated in major population centers such as Los Angeles, San Francisco, San Diego, Fresno, Sacramento or Orange County.

Should you pay your carrier . . .

or not?

You don't have to. It's purely a matter for you to decide.

The Upland News is what is called in newspaper circles, a controlled circulation newspaper. There are dozens across the country--enough even to have conventions. The purpose of a controlled circulation newspaper is to provide local news, local service and local advertising to an important, independent, interested community which could not on its own support a daily newspaper.

But where does your carrier come in? He is paid a minimum allowance for delivering your Upland News. He depends on you, really for his income, because when he collects, most of it is his. Controlled circulation newspapers work like that, on a voluntary pay plan.

We hope you appreciate and enjoy your Upland News enough to voluntarily pay your carrier. He is dependable. He is rendering you a service. He would like to earn the money. Pay him? Think about it.

Panthers Capture 12th Track Win

SAN BERNARDINO---Like good brandy, the Chaffey College track team continued to whet the appetites of local track buffs here Friday by conquering its 11th and 12th straight victims.

Coach Chuck Hicks' Panthers utilized versatility and depth to shatter host San Bernardino and "guset" San Diego, 82-57-40, in a triangular dual meet.

There were no double winners, but seven different Panthers - Ken Hogue (22.2), Earl Chandler (50.1), Ernie Diaz (9:51.8), Steve Williams (14.7).

Chaffey "conceded" the sprints and 440 relays to SBVC, and the Panthers were down in points, but Chandler, Vic Lemos and Tom O'Haver

gave the Red and White a boost in the 440 and Vignocchi, Dennis Murray and Williams were 1-2-3 in the 440 intermediate hurdles and the Alta Loma club won going away.

Steve Basay, who ran second in the 880 in 1:54.7 as the first eight broke two minutes, and Williams shared "Tough Hog" honors for the week.

Catcart, an earlier "Tough Hog," emerged as California's top shot-putter with his best throw. Basay's time is the third best in the state, and Williams' race equaled Hogue's time, which ranks high.

Chaffey will compete in the SoCal meet at Cerritos Thursday and the San Diego Invitational on Saturday.

THIS POTENTIAL hit through the middle didn't get past Montclair shortstop Hank Merenda. The alert infielder swiftly intercepted the hard hit grounder in front of second base and in a continuous motion threw to first to nip the runner by a stride.

Workman Blanks Braves In Hacienda Encounter

LA PUENTE - Workman High jumped to the top spot in the Hacienda League here Monday with a 5-0 win over previously unbeaten Alta Loma. The win lifted the Lobos' league record to 2-0, while the loss lumped the Braves to a 1-1 mark.

Two other teams, Wilson and Royal Oak are also undefeated in league play but each has a make-up game to play.

The Lobos scored their first run in the opening innings on one hit and two errors.

Workman put the game out of reach in the fourth inning as they scored four runs to take a 5-0 lead.

The Lobos scored their four runs on three hits, three errors and a walk.

Alta Loma was held in bay the entire game by tight Workman pitching. The Braves only had three hits in the game and suffered nine strikeouts.

Both clubs continue league play today. Work-

man entertains Walnut and Alta Loma welcomes Gladstone.

Highlanders Keep Winning In SAL

UPLAND---Sparked by the long and short of it, a powerful home run off the bat of Kurt Darrow and an infield single by Stan Bane, Upland came from behind to defeat Chino 5-4, in eight innings in a San Antonio League varsity baseball contest on Friday afternoon at Memorial Park.

Coach Chuck Lotton's Cowboys had taken first inning lead as Craig Aitken singled, Gary Heinlein walked, Paul Allen drove in Aitken with a hit and Tom Kroes sent two more tallies home with another single to give Chino a 3-0 lead.

Chino made the score 4-0 in the fifth inning, as Larry Gonzales chased home Aitken with a hit. And with pitcher Paul Allen cruising along with a two-hitter, it looked as though the Highlanders would receive their first loss of the campaign.

However, in the sixth inning, Mark Hayden opened with a single, Rick von Kliest was hit by a pitch and Darrow, who did not start because of a bout with the flu, was

safe on an error to load the bases. Catcher Mike Wise then singled in one run.

After the tiring Allen had walked Rick Hutton to load the sacks, sophomore Rick Green was brought in and before the promising youngster could get the side out he walked Pat Wise to make the score 4-2.

Coach Herb Christian's Highlanders came back in the seventh to knot things up when Darrow, last year's team batting champ, put his powerful wrists into a Green pitch and sent it out of the park at the 352 mark with Von Kliest, who reached first on a fielder's choice scoring in front of him.

After relief pitcher Stan Bane had held the Cowboys scoreless in the top of the eighth inning, Upland scored the winning tally in the bottom of the inning as Doug Feaster singled, Pat Wise doubled, and Bane hit a slow roller to short to chase Feaster home and sent the Highlanders into jubilation.

Upland Routs Chino, 105-12 To Maintain Undefeated Mark

UPLAND --- A varsity rout of the Chino Cowboys, 105-12, placed Upland's track and field squad in a tie for the San Antonio League lead with Pomona, both with identical 4-0 league records.

Upland placed first in every event on the varsity level, with the most outstanding performance turned in by sprinter Scott Stump, finishing first in the 100 (10.1) and 220 (23.1).

Only other varsity double of the day was by Doran Hearn. Hearn sped to a 20-flat victory in the 180 low hurdles and stretched 20-6 to win the long jump.

Angus Gordon came within seven tenths of a second of breaking his own school record in the mile as he took the race in 4:31.4.

John Bowser placed first in the 440 at 51.4 while teammate Mike

Humphreys came away with first in the 880 at 2:03.6.

Upland rounded out its domination of the races with Doug Slater's 10; 11.5 victory in the two mile and Rick White's victory in the 120 high hurdles.

In the field events, Dan Keebler vaulted 12-6 to win the pole vault, Lauren Pompa took the shot put, and Kirk Riehl went 5-8 to win the high jump.

Cowboy Steve Rico contributed a double in the long jump (20.1) and 120 low hurdles (13.6) and Upland's Allan Pugh took both sprint races (10.5) and (23.7) in the B division, where Upland won 62-33.

Bob Grimes, in the high hurdles (18.2), and Mike Balint, in the shot put (44.3), were Chino's only other winners on the B level.

Other Upland B's placing first were Rod Wal-

ler in the 660 (1:28.6) Dewey Szemenyel in the 1320 (3:20.7), Nick Stephens in the pole vault (12.0) and Jeff Bennetzen in the high jump (5-4).

Upland didn't take home all the laurels, however, as George Garnica led the Chino C's to a narrow victory over Upland, 45-41.

Garnica took the low hurdles (14.2) and long jump (19.5), while teammate Gred Staten sprinted to victory in the 100. Upland C winners were Pete Keeney in the 1320 (3:34.1), Carey Adams in

the 660 (1:34.9), Jerry Martinez in the shot put (42-10), Mark Weber in the 180 (19.5) and Steve McCabe in the high jump (5-4).

Sun City Has Two Golf Courses Only Blocks Apart

SUN CITY -- The Del E. Webb resort-retirement community 22 miles south of Riverside on U.S. 395, has become the only southern California community with two golf courses -- two blocks apart.

Joe Aubin, project manager, said the second course, an 18-hole executive-type course with 11 three-par holes and seven four-par holes, is planted and should be ready for play by summer, relieving the pressure of the 7,000 yd., 18-hole championship course.

Aubin said selection of fairway homes has already started. "Some buyers," he said, "are taking advantage of purchasing fairway homes under our price protection plan even though they aren't yet retired." He said the Pre-planned Retirement program permits buyers, 50 years of age or older to purchase homes at a price guaranteed for one year or until

they retire and occupy the dwellings.

A large percentage of residents are enthusiastic golfers, Aubin said, and they play golf for as little as 39 cents per round on an annual basis.

Recent rains which severely damaged some golf courses were not harmful to the two at Sun City, he continued. We spent a million dollars for flood control which was engineered to handle an 100-year flood.

"We had absolutely no damage to the golf courses or property. It only made the lawns and fairways grow greener."

Ice Capades Sets Special Group Rates

Special discount rates for groups of 35 or more will again be offered by Ice Capades for its local run, starting Wednesday, April 30, at the Los Angeles Sports Arena for a 28-performance run.

The 29th edition of the world-famed frozen fantasy will feature the discount rates at the Monday through Thursday performances, the first Friday-May 2-and the Saturday shows at 5 p.m. The show will run through May 18.

Acclaimed as "America's #1 Family Show," this extravaganza features six full-scale production numbers, including another Ice Capades first, Magnificent Multi-Vision. This innovation is a three-screen film used to introduce and set the scene for two of the production numbers, "Rhapsody for Piano and Ice" and "Mission Improbable," a super spoof of TV spy shows. This segment closes with a giant psychedelic light freak-out that stuns the audience.

Employee groups interested in the special discount rates should contact Harold Dunn at HO-9-2767.

Angeles To Build Store In Downey-Norwalk Area

Plans were announced this week for the world's largest lumber and hardware retail do-it-yourself shopping center, to be erected in the Downey-Norwalk area by Angels Home Improvement Centers of El Monte, California.

The new Downey-Norwalk outlet will be located at Firestone Blvd. and Studebaker road, near the new 605 Freeway overpass. The do-it-yourself retail center is designed to serve the retail trade area of Downey, Norwalk, Santa Fe Springs, La Mirada, Artesia, Hawaiian Gardens, Bellflower, North Long Beach, Lakewood, Paramount, South Gate, Hollydale, Bell, Bell Gardens, Pico Rivera and Whittier, according to Sidney Kline, president of the El Monte based firm.

Angels Home Improvement Centers are pioneers in the self-service

lumber and hardware field. The firm was established in El Monte as the first self-service lumber yard, and one of the first to sell lumber on evenings, Saturdays and Sundays, for the convenience of the working man.

During the recent years the firm has expanded with new modern outlets in Pomona and San Bernardino, establishing its reputation as California's largest lumber and hardware retailer.

The new, modernized Angels stores pride themselves on the slogan, "Greatest Bargains on Earth," and have established the reputation of giving the finest quality materials at the lowest possible prices, backed by a 100% guarantee of customer satisfaction, or "your money cheerfully refunded."

The new Downey-Norwalk location will be the

largest in the Angels chain, comprising over 75,000 square feet. Parking will be available for approximately 1000 cars, with additional satellite firms on the perimeter of the parking area.

As with other Angels outlets, the new store will carry a complete line of Housewares, small appliances, sporting goods, plants, nursery products, paint, electrical, hardware, plumbing and lumber products. It will be the first complete line building materials center in the Downey-Norwalk area.

Angels consistently lower prices are based on tremendous volume sales, and volume purchasing.

Through tremendous purchasing power, direct from northwest area mills, and from overseas purchasing offices, the

Angels company has eliminated the middleman, actually bringing its retail price down to the wholesale level on many building material items.

Contractors, builders and roofers have found it advantageous to buy direct at Angels retail prices as they need material, rather than to warehouse their own working materials.

Most home construc-

tion projects and repairs are done on weekends. Angels hours of business are tailored to meet this need. All Angels stores are open daily from 8 a.m. until 9 p.m., and from 8 a.m. till 6 p.m. on Saturdays and Sundays.

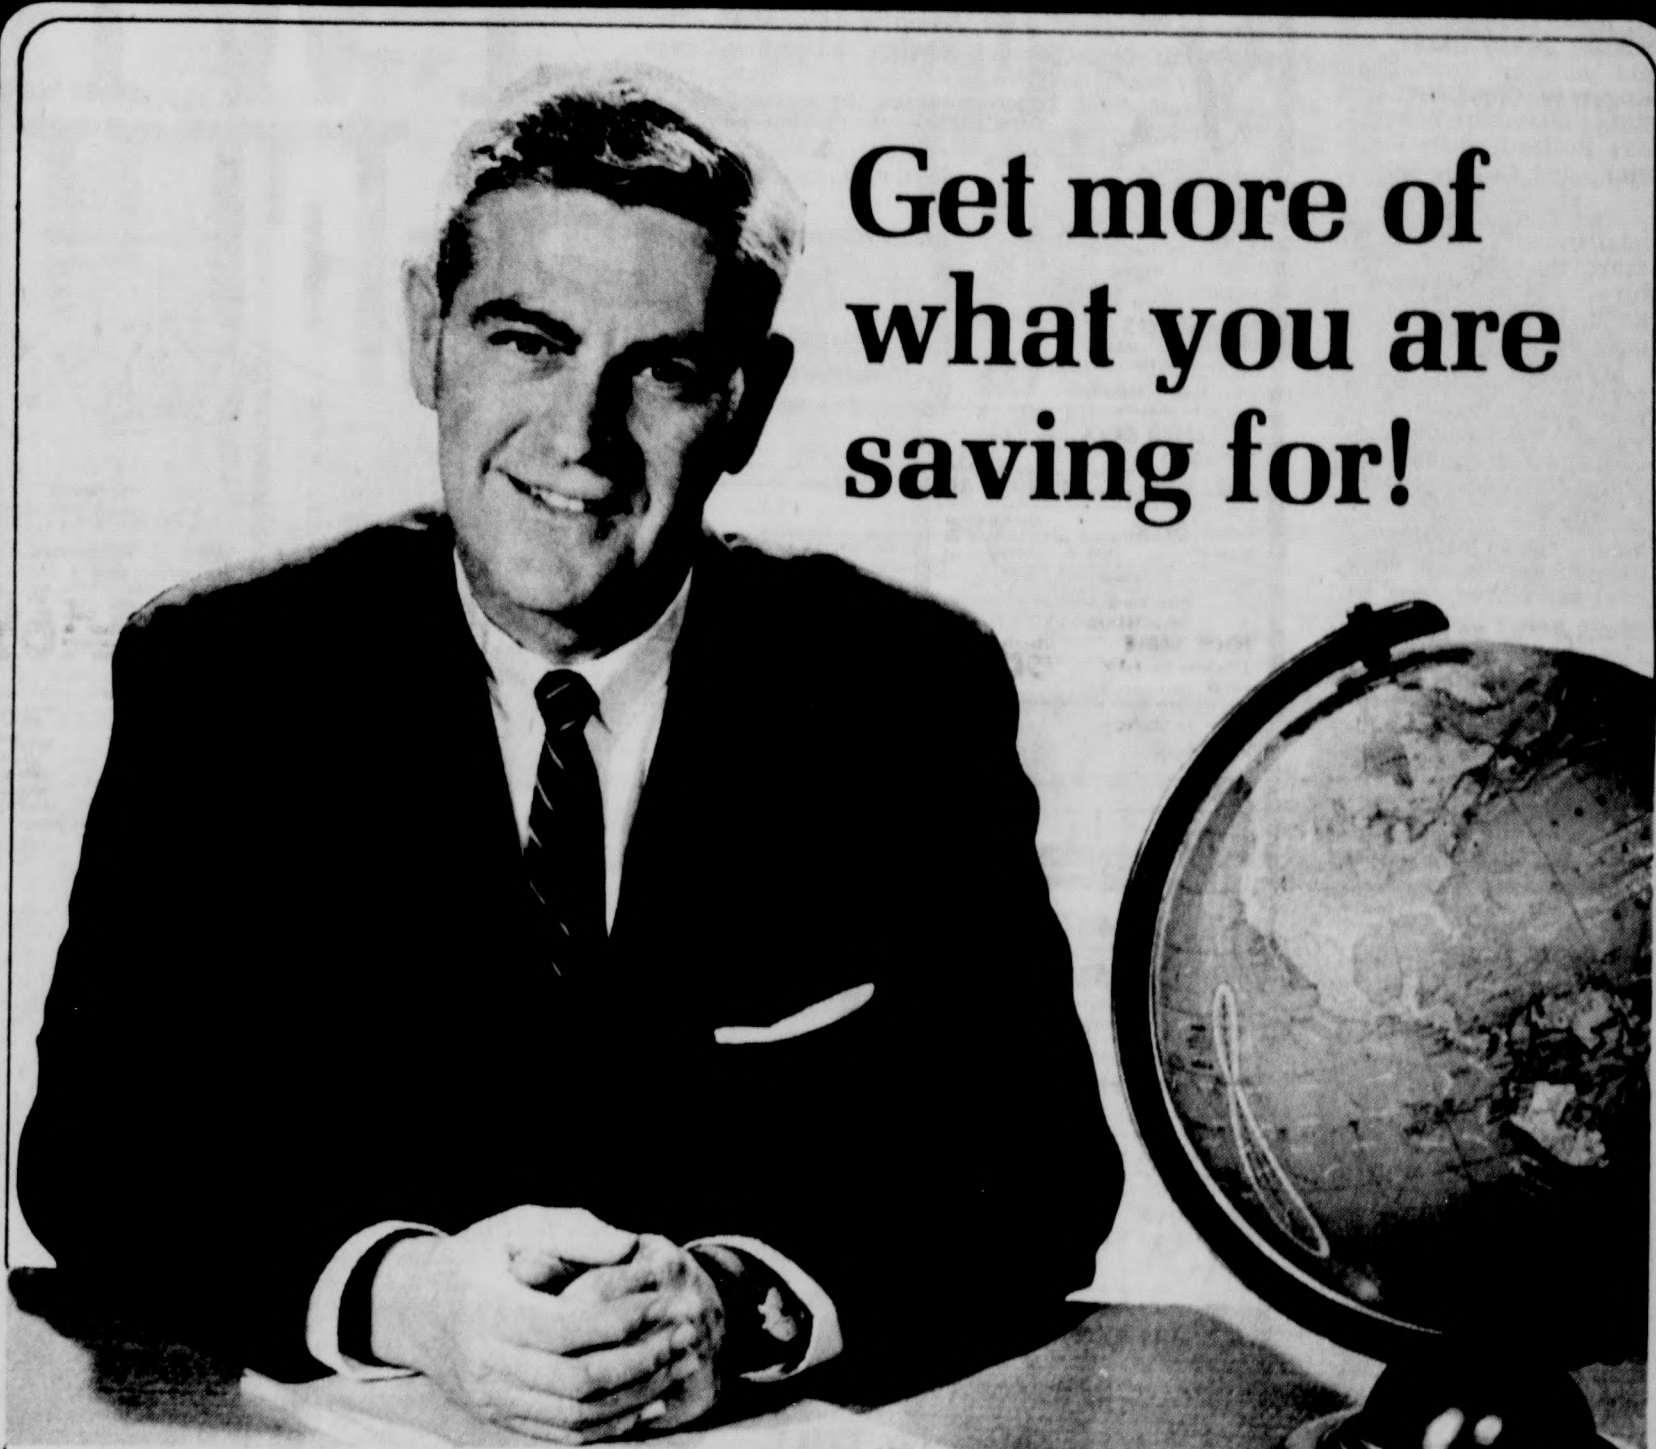

Angels buyers are now hard at work lining up special purchases and grand opening specials for the new location.

California 200 Due In Hanford On April 13

HANFORD, CALIF.—Racing Director J. C. Agajanian announced this week that he will stage the third annual "California 200" mile USAC sanctioned National Championship Indianapolis-car race at the Hanford Motor Speedway on Sunday afternoon, April 13th at 2:30 p.m.

The race will mark the fourth appearance of the high-speed Indianapolis cars on Hanford's mile and a half paved tri-oval, the fastest speedway in the West. It also will be the only California appearance for the Indy cars before this year's 500 mile race.

The nation's leading drivers will take part in the 200-mile sweepstakes. Expected to head the field are the winners of the three previous Hanford races, Gordon Johncock of Hastings, Mich., and A. J. Foyt of Houston, Texas. Others expected to enter include, two-time USAC National Champion Mario Andretti; last year's Indy 500 winner Bobby Unser, and his younger brother Al; Roger McCluskey; Lloyd Ruby; Gary Bettenhausen; Art Pollard; Billy Vukovich, and George Snider.

The fastest twenty-six qualifiers of the day will start the 200-mile feature. Time trials will be held starting at 12 noon race day. Advance sale tickets for the 20,000 seat stadium are on sale at the Kearney Bowl Speedway, 505 W. Kearney Blvd. in Fresno. They are priced at \$10 for starting line seats, and \$8 for reserved grandstand seats. General admission seats will go on sale race morning.

USC Idyllwild Summer Classes Are Announced

The 1969 catalog of the University of Southern California - Idyllwild School of Music and the Arts is off the press carrying complete information on the coming 19th summer season.

The 11-week term on the mile-high mountain campus in Idyllwild will begin June 15 with the Junior Music Program for students entering grades 8 through 10 in the fall.

New this summer will be the Junior Musical Talent Exploration Program, June 22-Aug. 2, offering instruction in instrumental music by Elvin L. Freeman, former member of the Sousa Band. No audition is required for admittance.

Classes in all of the arts for all ages, from 3 years, get underway on June 22.

These classes include painting, drawing, enamel work, batik, making new jewelry, expanded stichery, contemporary folk and ballet dance, film making, photography, nature study, vocal and instrumental music. College credit is available for many adult courses.

Language study is offered to junior, ages 13-15, students in La Casa Espanola. After two weeks boarding in the campus Language House, students and their instructor will go to Guadalajara, Mexico, for three weeks of study.

Along with regular one, two and three-week courses, Idyllwild offers weekend workshops for

adults, plus music and dance programs open to the public. The eighth annual ISOMATA Music Festival is set for the weekends of Aug. 22 and 29.

New on the weekend schedule will be a folk music workshop, July 11-13 and 18-20, headed by Guy Carawan of Pitzer College Claremont; a ceramics workshop which will stress handbuilding, July 11-13, conducted by Michael Arntz, University of California, Santa Barbara, and a film festival seminar led by Ray Garner, prize-winning producer-director.

USC - ISOMATA provides families an opportunity to turn vacations into enriching cultural experiences. Each age group has its own faculty curriculum, and place in the sun of the 200-acre forest campus. Away from classes, families may enjoy swimming together in the school's pool.

The catalog, with photographs by Virginia Garner and her workshop students and a cover design by Dorothy Lewis, art teacher, may be obtained by writing to Dr. Joseph G. Saerfelt, Director, USC - ISOMATA, Idyllwild, Calif. 92349.

Performance Is Cancelled

Comedian Bill Cosby, who begins his Easter Week engagement at Melodyland Tuesday, has cancelled his Good Friday performance in personal homage to the late Rev. Martin Luther King, Jr.

Persons already holding tickets for the April 4 performance, the anniversary of the civil

rights leader's death, may exchange them for another of the seven remaining Cosby appearances: Tuesday through Thursday at 8:30 p.m., at 7 and 10 Saturday and at 5 and 8:30 p.m. Easter Sunday.

Tickets purchased through an agency must be returned to the agency for exchange.

FAMILY POT LUCK

One half cup serving of cottage cheese supplies as much high quality Protein as one serving of meat. It makes delicious dishes, whole meal salads and desserts.

Entertaining? Fruit punch is in order. Combine 1/4 cup lemon juice, 1/2 cup pineapple juice, 1 can (6 oz.) frozen orange juice, diluted, 2 table-spoons maraschino cherry juice and 3 cups ginger ale. Top with scoops of lemon sherbet.

Tangy and savory sardines from the cold, mineral rich Norwegian fjords, blend with a variety of ingredients to create those tasty and appetizing snacks. Economical and simple to prepare, home-makers will also find these tidbits ideal when entertaining. Also for hardy school appetites.

For a gourmet dressing, combine 2 tbsps. mayonnaise, 2 tbsps. chili sauce or catsup, 1/4 tsp. dry or prepared mustard, salt and pepper. Mix thoroughly.

MACARONI AND VEGETABLE SALAD
3 cups cooked elbow macaroni
1 cup cooked green peas
1/2 cup cooked carrot slices
1 cup chopped celery
1 tbsps. chopped onion
1 cup chopped cooked ham
1 tbsps. A.I. Steak Sauce
1 cup mayonnaise
1 tsp. salt
1/2 tsp. paprika
Mix all ingredients and put on platter with crisp lettuce. Makes 6 servings.

Substantiate Charitable Contributions

Failure of some taxpayers to substantiate their charitable contributions caused the loss of all or part of the amount they claimed as a deduction last year.

Substantiation of charitable contributions is one of the most frequent problems encountered in the audit of tax returns, F.S. Schmidt, District Director of Internal Revenue, reminded Southern California taxpayers today.

Another problem in the contribution area that appeared on last year's returns was the claim of the full amount paid for a ticket to a charity ball,

theatre benefit, or banquet as a charitable contribution.

Mr. Schmidt said that only that part of the ticket price in excess of the value received by the buyer may be considered a charitable contribution.

"When \$10 is paid for a ticket at a charity banquet and the meal would normally cost \$4, then only \$6 may be considered a charitable gift," he said.

To help taxpayers avoid this mistake on 1968 returns, IRS has requested all charitable organizations selling tickets to

fund raising affairs to clearly indicate on the ticket the amount that is deductible. Identifying the amount that is deductible. Identifying the deductible portion of the ticket price should end this problem, Mr. Schmidt said.

Save Recipes

To keep small recipes clipped from magazines or newspapers from being lost, mislaid, or soiled before you can copy them on file cards, place them in an envelope and glue the flap of the envelope to the back of an index card. Fold the envelope against the card and file in proper order.

PORTABLE COMBO CRIB

Here's why it's BEST:

• FLOOR SPRINGS from crib to dressing table height adjust—crib sits like those that slide up and down.

• FULLY FRAMED & riveted floor for strength won't sag like unsupported floor.

• SAFETY LEO has positive locking pins and will not be removed by child. Don't rely on pressure of wing nuts alone.

• FLAT SPINDLES are wide & stronger, more protective, not weak & flimsy like round spindles usually are.

• TWIN-INCH P.O.A.M. Bond-Edge Pad more comfortable longer lasting than other filling materials.

• CRIB FOLDS with pad inside for carrying, leaving other hand free.

City Of Hope's Annual Bazaar Apr. 18-21

More than one million items of brand new merchandise are ready for the thrift-minded shopper April 18-21 at Shrine Exposition Hall, 700 W. 32nd St., Los Angeles.

City of Hope's 44th annual Town Fair Bazaar will feature brand names of clothing, furniture, lighting fixtures, appliances, lamps, carpets, plumbing fixtures, toys, housewares, groceries, and more. Everything including the kitchen sink will be offered at the fair, according to co-chairmen Bill Socher and Jerry Frost.

All items for the mammoth bazaar are donated to the City of Hope by leading California retail stores, manufacturers and wholesalers. Union members donate their time and services. All in all, more than 2000 persons will donate their services during the event, Socher said.

Doors open at 11 a. m. Friday, and at 10 a. m. the three following days. Town Fair will be open until 10 p. m. every night.

All proceeds go to the City of Hope to help in patient care and medical and scientific research. Now in its 56th year, the Pilot Medical Center wages war on cancer leukemia, and diseases of heredity, the blood, chest and heart.

Easter Sunrise Services At PS Aerial Tramway

PALM SPRINGS--The Annual Easter Sunrise Festival at the Top of the Palm Springs Aerial Tramway will be held on Sunday, April 6, with the College of the Desert Choir providing special Easter music.

Dr. John Norman, the choir director, will present his students in several outstanding numbers including "Ave Verum Corpus of Mozart", "Glory Be To God On High" by Jean Berger, and "Christ The Lord Is Risen Today" by Williams.

Reduced Tram fares will be in effect from 4 a. m. to 9 a. m., according to J. L. McKenney, Tram general manager, with the first cable car scheduled to leave for the mountain at 4 a. m.. The reduced fares are \$1.50 for adults; \$1 for juniors (13-17); 50 cents for children 4 to 12, and under four years of age, free.

A complete breakfast for just \$1 will be served up to 9 a. m. The menu includes juice, scrambled eggs with sausage or bacon, hot blueberry muffins, and a choice of beverage.

An exciting Easter Egg Hunt will be held at the mountain station at noon, and hundreds of colored Easter eggs will be hidden for the youngsters.

Along with the colored eggs, three dozen "golden eggs" will be hidden each containing a valuable gift or prize offered by Palm Springs' merchants. And an attractive Easter Bunny-Miss Patty Lore of Palm Desert will be on hand to help the smaller children to find eggs.

Getting Away From It All ...Matter Of Determination

On the bank of the River of No Return, in the Salmon River Mountains of Idaho, lives Sylvan Ambrose Hart -- alone. And happy.

And envied by millions. Sylvan Hart, 63, has lived alone, 60 miles over a rugged trail from the nearest town, since 1932, the year he was graduated from the University of Oklahoma with a master's degree in engineering.

His mail drops from an airplane, twice a month. He is almost totally self-sufficient. A master craftsman, he has made several hundred tools that enable him to produce all the essentials of his life, including three sturdy buildings.

He pans gold and sells it for money to buy the items he can't make--gun powder, condiments, books, and Darjeeling tea.

Hart is a man at peace with himself and the world, a man who could ask a recent visitor: "What more could I want?"

He is the ultimate individualist, an anachronism in a complex, technological society, a paragon for the sweating, worried, hurried herds that populate the cities.

Many people would like to "get away from it all," as Hart has, the Family Economics Bureau of Northwestern National Life Insurance Co. found. In a survey, the insurance company encountered a "recurring compulsion for escapism" among "a large and apparently increasing proportion" of the urban population.

Newspaper columnist Bob Smith observed recently: "It's not new to want to get away from it

all, but there seems to be more to want to get away from these days.

Some people flee frustrations resulting from their own weaknesses. Others are disgusted by characteristics of an over-civilized society that bother most people sometimes: traffic and taxes, pollution, impersonal people, and population crowding, crime in the streets and the high cost of living, the fast pace of life, unethical behavior, student unrest and delinquency, riots and war.

WON'T CHUCK IT

Most people can't or won't "chuck it all" and embark on a round-the-world cruise. Instead, they seek oblivion in weekend pleasure orgies and in vacations so exhausting they incapacitate the vacationer.

Between weekends and vacations they blot out their thoughts with overdoses of TV and movies. Or, they "blow their minds" reading romances, science fiction, mysteries and travel magazines. Some people even use hard work to suppress thoughts about their problems.

Still, there are a few adventurers among us who turn their backs on security and comfort. The Family Economics Bureau found hundreds of well-heeled vagabonds. They constitute a new social stratum--a rung below the Jet Set and the Beautiful People in status. Most of these wanderers have plenty of money, a fact that probably makes it easier for them to be so brave.

NEW VAGABONDS

Alan Eddy is one of the

new vagabonds. He took 5-1/2 years off from his job as a systems analyst in Scarsdale, N.Y., to sail around the world in his \$18,000 sailboat, returning a couple months ago.

Mr. and Mrs. Robert L. Griffith of Inverness, Calif., and their 16-year-old son left home in a boat and weren't seen again by their neighbors for eight years. Griffith said he planned to cast off again, soon. "I'm a veterinarian," he said. "If I stayed here I'd have to go to work again."

Other adventurous escapists have relocated to remote areas of the United States. Take Ben Calderon and wife, Ben, believe it or not, traded New York City, a \$40,000 income, and two homes for a cabin south of Anchorage, Alaska, a \$7,500 income, contentment, and a slow-and-easy pace of life.

Southeast of Mount Rainier, Washington, a vacationer seeking escape from a run-run life will find Indian Creek Corral, owned by Frank Ran, the rat race for 13 years, as an employee of a major oil company in Seattle. Now he guides hunting, fishing and trail parties into the Cascade Mountains.

Other people hide, alone, like hunted criminals. These are the hermits and recluses.

PHYSICIAN IN SWAMPS

The Hermit of Cedar Swamp was a physician who gave up when his wife and daughter were killed in an auto accident. He lived for 15 years on an island in a large swamp 13 miles northwest of Tomahawk in northern Wisconsin. In February, John

Hatton of the Milwaukee Journal rode a snowmobile to the Hermit's cabin and found it demolished. In Tomahawk, Hatton learned that he died recently of a heart attack.

The most admirable and enviable of all the hermits is the one whose parents, in a feat of prophesy, gave him a name that means "one who frequents groves or woods" --Sylvan Hart.

Let Hart describe his work schedule: "I work three, four hours before it gets hot, then maybe two more after the sun goes down. But, I might just stop and watch an otter play."

To make his own copper utensils, Hart mines copper, smelts it and refines it. He also makes his own rifles, bores the barrels, and molds the bullets. A Los Angeles gun collector handed Hart a blank check for an exquisitely carved rifle, but he refused it.

Sylvan Hart is a one-in-a-million man. His Shangri-la is unattainable for most people who lack both skills and disposition for prolonged intercourse with nature. But, almost anyone can move close enough to Shangri-la to see it on a clear day.

You can get a job in a small town, like Dr. Richard Olsen of Stromburg, Neb., did. He had a thriving, and exhausting, practice near Hollywood, Calif.

You can thumb your nose at fast-paced city life and slow down in a remote outpost of civilization. Joe Murphy did. He edited suburban newspapers in the San Francisco Bay area. When he felt an ulcer coming on,

he took a job as managing editor of the Guam Daily News published on the U.S. island of Guam between Hawaii and the Philippines. He's still there after three years.

You can even become a working cowhand, like Troy, N.Y., insurance salesman, Norman H. Briggs. He changed his name to Clay Hollister and went to work on a ranch near Newcastle, Wyo.

At least, you can use your weekends and vacations for purposeful, controlled escapism, as necessary to happiness as good health.

If you don't, you may end up like a multimillionaire interviewed by columnist Smith. The man was about to retire. He remarked: "I can't remember anything but work, day and night and weekends, for the past 35 years. I lost contact with my wife. I don't know my son. I don't even know how to fish. I'm a real success."

"I went to the woods because I wished to live deliberately," wrote Thoreau, "to front only the essential facts

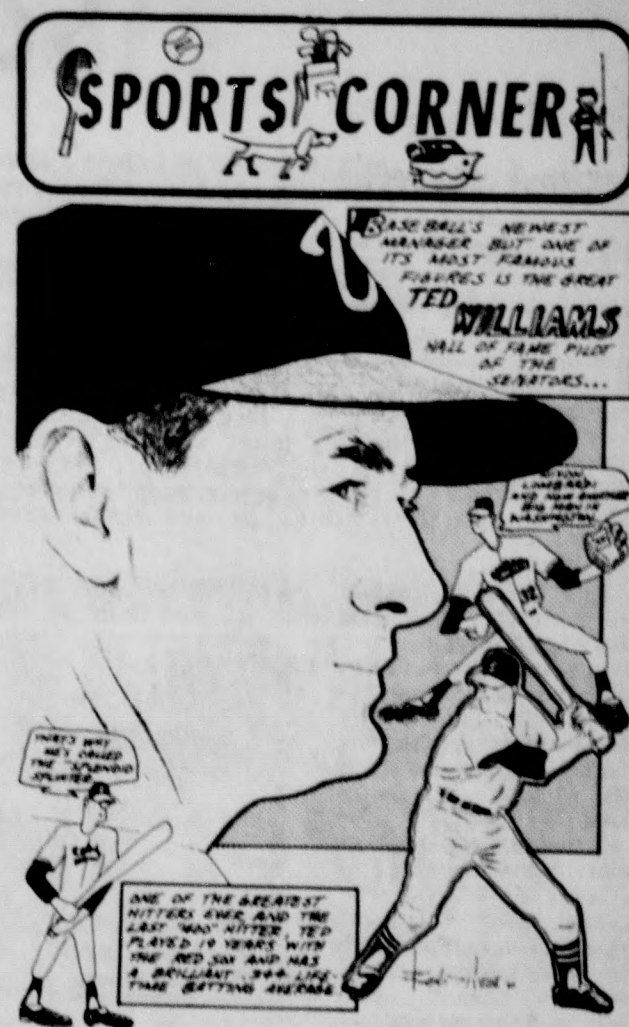

of life, and not, when I came to die, discover that I had not lived."

'Boys In Band' Wins Musical Award Honors

Robert Moore, who staged Mart Crowley's comedy hit, "The Boys in the Band," now playing at the Huntington Hartford Theatre, has just received a "Tony" nomination for "best musical director" of the current Broadway season for his direction of "Promises, Promises."

Two of the "Boys" he directed, Cliff Gorman and Michael Lipton are the recipients of the much coveted "Obie" award, the off-Broadway equivalent of the "Tony". Gorman won the award for the creation of his current role in the New York production. Mr. Lipton's award-winning performance was in "The Trigon."

Tickets are available at the box office, by mail and at all agencies. For information phone HO 2-6666.

Supt. Allen Smith Outlines Need For Inc

EDITOR'S NOTE - The following statement has been issued to the press by Supt. Allen Smith of the Chaffey High School District with school patrons voting on the issue of authorizing the raise in the basic tax rate from \$1.70 per \$100 assessed valuation to levy, if necessary, \$2.50 per \$100 assessed valuation on April 15.

Adequate financing is essential to a quality educational program, just as it is essential to any business operation. This statement is universally understood by all, whether they be associated with business institutions, or any other segment of our community.

Money is required to secure and hold qualified personnel, obtain essential supplies and equipment, maintain the facilities, provide special services for admin-

istering the program and to keep abreast of the changing times with relevant and modern course offerings.

There is a direct relationship between the educational opportunities available to students and the funds provided for undergirding these opportunities.

TWO SOURCES

Although each school district has its own unique set of financial factors, all school districts in the State of California operate essentially the same way. Income is derived from two major sources, (1) state funds allocated to school districts on the basis of enrollment and assessed valuation and, (2) local funds from the levy of a tax rate against the assessed valuation of the district.

As one examines the method of developing a school district budget it is immediately apparent that a direct relationship exists between state financial support and local tax dollars. In short, the greater the state support the less requirement there is for local district taxes.

65 PER CENT LOCAL

As the present time state financial support for the Chaffey Union High School District amounts to only 30.48% of the funds required to operate the district. Sixty-five per cent of the district's income must be raised from local taxes, with the balance of income derived from federal and county sources. Every dollar of increased state support means one less dollar to be obtained from the local taxpayer. This accounts for the

support Assembly Bill 409, providing for 370 million in additional state funds for school districts, largely from the California School Boards Association, California Teachers Association, California Association of School Administrators, and many other related organizations. These organizations have worked diligently for increased state support as well as statewide tax reform.

Too often legislative financial decisions are based upon political expediency rather than objective reasoning for the good of all. The public must become informed on legislative issues and, through communication with legislators, insist upon reforms. The future of our state educational system is at stake.

FINANCIAL CRISIS

The Chaffey Union High School District currently is facing the most serious financial crisis in its 58-year history.

For the past nine years, during a period of rapidly rising costs, expanding enrollments, higher salaries and increasing demands upon schools to do more things, the district has operated on the same basic tax rate of \$1.70 per \$100 assessed valuation.

In this same period of time two new high schools have been opened and two others increased in capacity. Although the increase in assessed valuation has kept pace with the increase in enrollments, inflationary costs of goods and services has required drastic reductions in expenditures in the current

school budget.

During the current year all purchases of new equipment for instructional and non-instructional uses have been eliminated.

Fewer teachers have been employed than actually required to meet increased enrollments, resulting in heavier teacher classroom loads.

Projects for painting, repair, and upgrading of facilities have been drastically curtailed.

New curriculum programs to meet constantly changing needs have been deferred. The introduction or expansion of special programs for gifted, mentally retarded, vocational, educationally handicapped, physically handicapped students have, for lack of funds, been postponed.

Finally, the district has, in the past six years, only once managed to offer a competitive beginning teacher's salary. The district is currently \$100 below the median minimum salary as compared with districts around us.

MAXIMUM NOT ENOUGH

As we look to next year, the district will be in serious financial difficulty if \$1.70 per \$100 assessed valuation is the maximum tax rate the Board of Trustees may levy for operating the high schools. If the district uses the same budget as 1968-69 and adds only the teachers necessary to handle the increased enrollments, at least \$175,000 additional cuts would have to be made to balance the budget. This would have a serious effect upon the program which could

be offered students and it would be impossible to hold and attract qualified teachers as well as service personnel.

COULD CLOSE SCHOOLS

Your representatives, the Board of Trustees, must, by law, obtain permission from voters to levy a tax rate in excess of the \$1.70 currently in effect.

On July 1, 1970 this rate will automatically drop to the statutory maximum of \$.75 and would, in effect, result in closing the high schools if phenomenal additional state support were not forthcoming.

In response to the critical financial condition of the district and the current and future needs for funds the board is requesting authority to levy.

Last Week's Answer

Can Now Predict Baby's Sex 6 Months In Advance

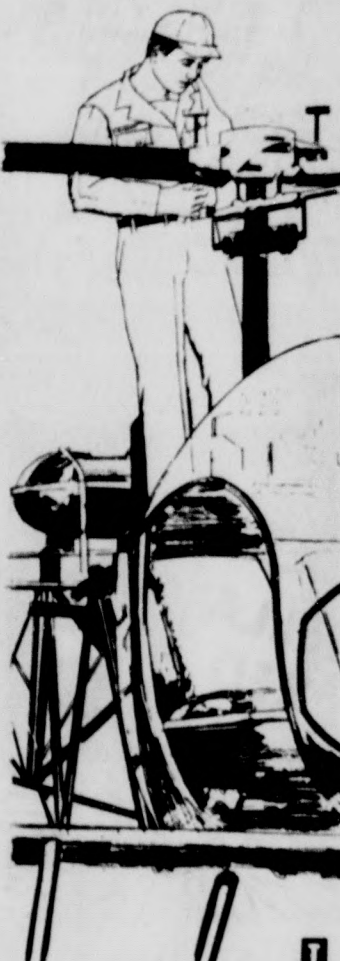

LOS ANGELES - The sex of a baby can be predicted with 100 per cent accuracy as early as six months before birth, a University of Southern California medical researcher said today.

The technique is important to physicians in some cases and should not be used merely to satisfy the curiosity of prospective parents, according to Dr. Robert B. Sloves, USC instructor in obstetrics and gynecology.

Prenatal sex determination is done by sampling the fluid in which the fetus rests in the womb. If a microscopic dot appears on the nucleus of a cell in the fluid, the child will be female. Otherwise, the baby will be a male.

Dr. Sloves and his colleague, Sue Oliphant, a cell technician in the USC School of Medicine's pathology department, improved laboratory procedures which were devised several years ago by other researchers to score correct predictions in 66 cases at L. A. County - USC Medical Center. They failed only five per cent of the time when conditions were not perfect. The test takes a minimum of six hours to complete.

Better skills build better careers.

The U.S. Army Reserve

Accurate prenatal sex determination is becoming increasingly important in the field of genetic counseling, Dr. Sloves said, because certain deformities and diseases occur only in one sex.

An example is hemophilia, which affects only males.

Being able to determine the sex of the fetus will be essential when corrective treatment for specific sex-linked diseases can be administered to a yet-unborn baby, the USC research said.

In view of the rate of medical progress in recent years, that day may come sooner than many might believe, Dr. Sloves said.

Prenatal sex determination also is useful for physicians in order that

INLAND PRESIDENT--- Wilson H. Asdel (above) President of Inland Bank of Pomona, Calif., is a banking veteran who has served as chief executive of the Pomona Valley Independent since its opening in 1964. The Bank's assets topped \$31 million at year end and it now operates three offices: Pomona, Ontario and Claremont (all profitably). Asdel learned his banking with the Bank of America (38 years) and served as Vice President and Manager of one of its branches (Willshire and Vermont) before joining Inland.

POMONA PRESIDENT--- L. S. (Bud) Hoerner, Claremont, has been named Vice President and Manager of the Pomona office of Inland Bank. Hoerner comes to Inland Bank from Ventura where he served six and a half years with Crocker Citizens (formerly Crocker Anglo-American Bank in the Tri - County Ventura, Santa Barbara, San Luis Obispo) area. He was previously Manager of the Ventura office. He is a former U.S. Air Force career officer and left the service in 1961 with the rank of Colonel after 21 years of service. He is a native of New York City and a graduate (B. S., Business Administration) of the University of Florida.

NEW OFFICER--- Otto B. Christian, Vice President of Inland Bank has taken over Loan Supervision and Development for all Inland Bank offices. He is a specialist in finance and insurance and prior to joining Inland in April 1968, held the position of Assistant Vice President and Loan Administrator for the Nevada Bank of Commerce at Reno, Nev. He is a native of Los Angeles and received his B.S. degree in Business Administration from UCLA. He has a Master's Degree in Finance and Insurance, and has completed 2 1/2 years toward a Ph. D., also at UCLA.

IN NEW POST--- Lucien M. Biggs, Redondo, Calif., has been named Assistant Cashier - Operations of Inland Bank. Biggs has had a long banking career with the Bank of America and other institutions. He entered banking as a trainee in 1941 immediately upon graduation from San Bernardino High School in 1941. He is a native of Los Angeles and received his education at San Bernardino, Chaffey and El Camino Junior Colleges.

Inland Bank Establishes Data Processing Center

ONTARIO - A data processing center designed to speed service of client account reporting and insure maximum accuracy has been established here by Inland Bank, Pomona Valley and West End (San Bernardino County) independent.

President Wilson H. Asdel said that the center, under direction of A. Michael Clearman, is already being used for posting checking accounts, savings accounts and stock transfers. It is being programmed for a new service termed Ex-pandaaccount which will provide reserve funds up to the approved line of credit for Master Charge credit card and commercial customers.

In the near future, Mr. Asdel said, the computer will enable the bank to offer a wide range of service to various businesses, including payroll service, professional billing for physicians and dentists, account reconciliation, customer billing, installment loan bookkeeping, stock transfer agent registrations and credit union bookkeeping.

The bank's own computer, Asdel said, will enable it to be the first

banking institution to provide its customers with Unistat account reports. The Unistat, said Mr. Asdel, shows the customer at a glance a record of all his transactions, checking and saving, in one unified statement.

The computer used by Inland Bank is a Burr - oughs B-340 package system which consists of a central processor, high-speed sorter - reader, card reader, printer and three - station magnetic tape cluster.

It also provides programming for demand deposit, items processing, savings and installment loan accounting in addition to standardized installation, conversion and training procedures.

The computer installation, Mr. Asdel said, followed extensive study to determine its economic feasibility in terms of anticipated business volume and bank accounts. Three and five year study projections were made of both. The bank found it could provide many extra services for its own customers and community business men.

Flood Control Measures Urgent, Cong. Lipscomb Says

Congressman Glen Lipscomb (24th District) told a Congressional committee that California faces a "tremendous task of reconstruction and repair" and that additional emergency type assistance should be made available to help in this effort. He also called for a watershed project in the 24th District to help reduce future damage from rain and floods.

The Congressman testified at hearings conducted by the Flood Control Subcommittee of the House Public Works Committee on legislation proposing to make more aid available to California.

Legislation co-sponsored by Lipscomb and 28 other congressmen from California proposes to provide assistance, but he also urged the committee to consider a watershed protection project for the 24th District. Known as the San Gabriel River Watershed - Western Area Project, it is proposed for the area above Glendora and Azusa. He told the Committee that such a project, which would involve construction of works to improve fire protection, reduce erosion and control flooding, could help to substantially reduce storm damage as occurred in the area.

For And About Teenagers

DO YOU THINK
HE'S PLAYING
ME FOR A
'SUCKER'?

THE WEEK'S LETTER: I have this problem. I am only 16 years old and I have this understanding with this guy. We are writing to each other but now I hear that he's writing to some other girl. I told him and he said letters are the only thing that keep him going. Do you think I should wait or just forget him? As you know it is not easy to forget him because he has a way of getting me to see his way. He also says he loves me and that he can't wait until we are back together. Do you think he's playing me as a 'sucker'? Please give me some advice, as I sure need it.

OUR REPLY: You do not say, but apparently "he" is away because he is in the military service. Any serviceman or veteran will tell you that nothing breaks the monotony and the loneliness of military life more pleasantly than mail from home. What he says in this regard may well be true. While he is away is not the time to think about giving him going. Do you think I up — and you should not worry about whether or not he is writing to someone else. Believe the things he tells you in his letters. When he comes home, make him prove it. If he doesn't prove it, if you satisfaction, it's time then to really give him up.

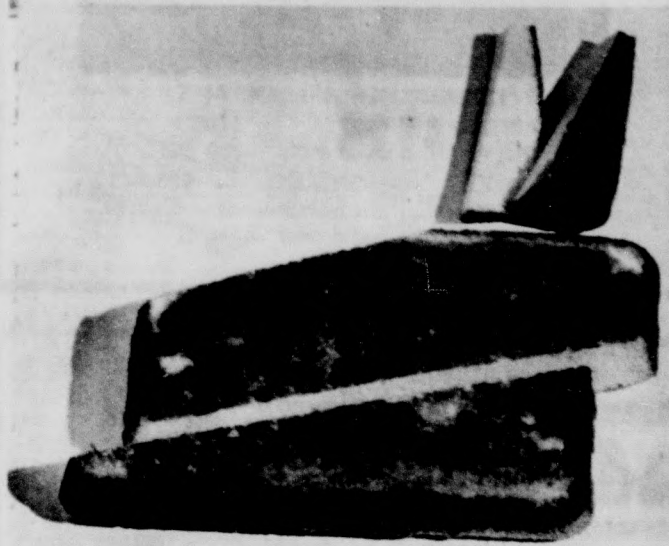

If you have a teenage problem you want to discuss or an observation to make, address your letter to FOR AND ABOUT TEENAGERS, COMMUNITY AND SUBURBAN PRESS SERVICE, FRANKFORD, KY.

Bake An Easter Bunny Cake

EASTER BUNNY CAKE:--Slice oblong cake lengthwise on diagonal in two places, the smaller upper cut, for large ears, about one inch from top left corner tapering to the middle of the cake, the second cut about one inch from the bottom left and extend it to middle of right edge of cake. Slide large central part of cake forward and position ears. Stand upright and frost.

Anyone who enjoys children will enjoy making this gay Easter bunny. It is made by cutting up a loaf cake, then fitting the parts into a bunny shape held together with frosting and small picks. Coconut, of course makes the fur and jelly beans the eyes and nose.

EASTER BUNNY CAKE
Prepare one-half package cake mix according to package directions or one-half your favorite layer cake recipe, or use the recipe below for Old-Fashioned Loaf Cake. Pour batter into a well greased and floured loaf pan (9x5x3 inches) and bake in 350 degrees F. (moderate) oven for 25 to 30 minutes, or according to recipe directions. Cool for 10 minutes; remove from pan and finish cooling on cake rack.

To cut, follow cut lines shown in picture. Trim edges of cake so bunny will stand straight. Stand upright. Slide top piece of cake forward, as illustrated, to form head and body. Fasten two parts of body and ears securely with wooden picks or small skewers. Frost with No Cook Marshmallow Frosting. Frosting rounding out the shape of bunny and using a generous amount to form tail. Sprinkle with shredded coconut. Use jelly beans which have been cut in halves for eyes and ears and make rakish whiskers with licorice strips.

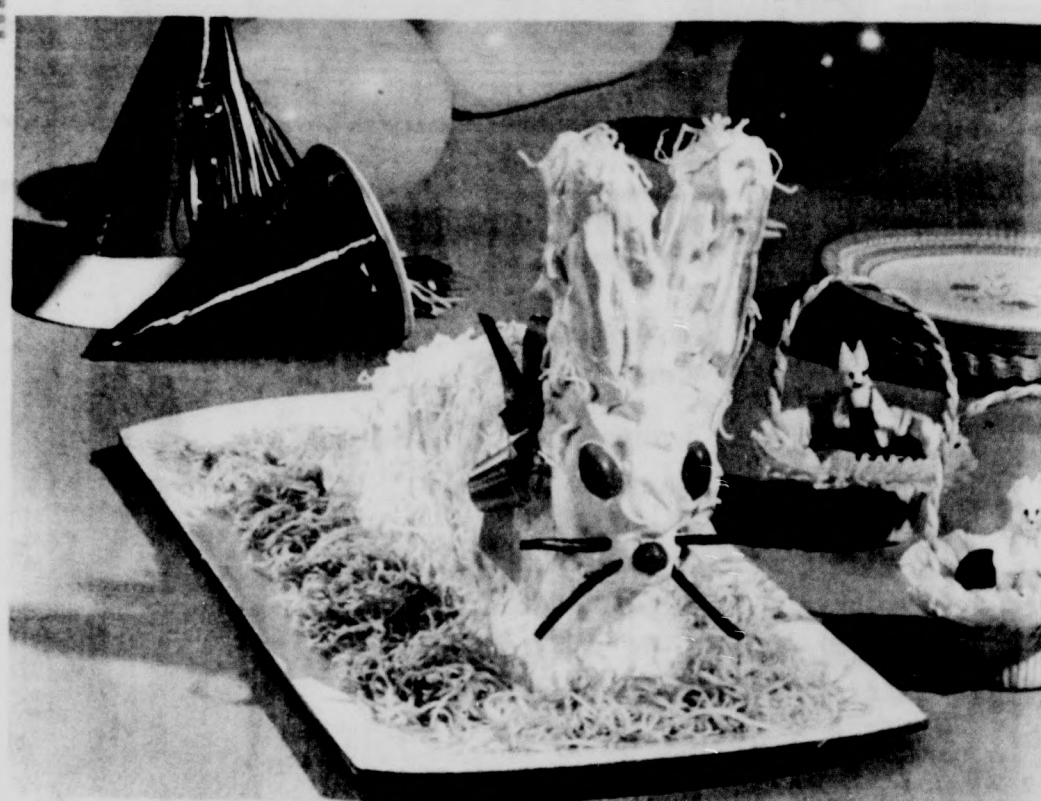

Old Fashioned Loaf Cake

2 1/4 cups flour
1 1/2 teaspoons salt
1/2 cup sugar

1/2 teaspoon baking powder
1/2 cup corn oil
1/2 cup water
4 egg yolks
1 1/2 teaspoon vanilla
1/2 teaspoon mace
4 egg whites
1/4 cup sugar

Mix and sift first four ingredients. Make a well and add in order corn oil, water, egg yolks, the vanilla extract and mace, if used. Beat until smooth and well blended (about 1 minute). Beat egg whites until stiff but not dry; gradually beat in sugar. Fold into first mixture (do not beat). Turn the batter into well greased waxed paper lined loaf pan (9 1/2x5 1/4x3 inches). Bake in 325 degrees F. (slow) oven about 1 1/2 hours or until cake springs back when touched lightly with fingers. Cool 15 minutes in pan; loosen with spatula and remove from pan and complete cooling on rack. Frost with No-Cook Marshmallow Frosting.

No Cook Marshmallow Frosting
1/4 teaspoon salt
2 egg whites
1/4 cup sugar
3/4 cup light corn syrup
1 1/4 teaspoons vanilla
Add salt to egg whites and beat with electric or rotary beater until the mixture forms soft peaks. Gradually add sugar, about 1 tablespoon at a time, beating until smooth and glossy. Continue beating and add corn syrup, a little at a time, beating thoroughly after each addition, until the frosting peaks. Fold in vanilla extract. Makes enough to cover bunny or will frost tops and sides of two 9-inch layers.

FOR EASTER EATING:--An Easter Bunny Cake made with a cake baked in a loaf pan; then cut to form the bunny. The bunny is delicious, of course, but you may want to make a supply of cupcakes in case the children want to keep the precious bunny around for a while.

Damien Senior Wins UCLA Scholarship

John Petrowsky

SAN DIMAS -- John Petrowsky, a senior at Damien High, was chosen from all of the high school seniors in the Pomona area to be the winner of a UCLA regent alumni scholarship. He was one of four chosen in the Pomona valley, three were from Damien the other was

from Pomona Catholic Girls High School. John is the son of Mr. and Mrs. John A. Petrowsky of 8272 Avenida Vejar, in Cucamonga. A seventeen year old senior, John has maintained a grade point average of 3.9, and is rated second in the class for the past four years. John not only serves his school well academically, but he is active in all school functions. He is President of the Damien Science Club, copy-editor for the school newspaper, is a member of the Damien Spirit Club, and also on the yearbook staff, and a highly acclaimed member of the National Forensics League. In addition to his UCLA scholarship he is also a semi-finalist in California State Scholarship competition, besides receiving the Bank of America award for his endeavors in the field of social science.

Young LV Man Killed As Auto Strikes Pole

A young LaVerne man was killed and two companions injured Monday night when their car went out of control and hit a tree and utility pole near the Los Angeles County Fairgrounds. James Graydon Goodwin, 21, 1918 7th st., La Verne, was pronounced dead on arrival at Pomona Valley Community Hospital. He suffered severe head injuries.

Another passenger in the car Darrylyn Jean Stackrahm, 16, 346 Allen st., San Dimas, is reported in critical condition. She had head and internal injuries.

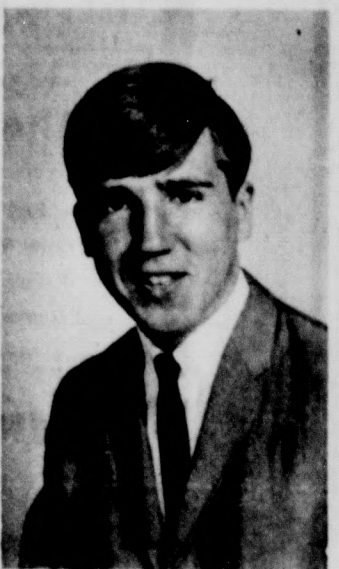

The driver of the car, Larry Jack Ellison, 17, 635 Ramona st., La Verne, was booked on

suspicion of manslaughter in Goodwin's death. Ellison had a cut elbow which was stitched at the hospital and he was released to police.

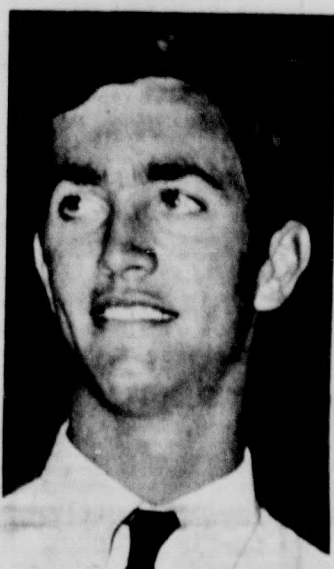

The accident occurred as Ellison was driving through a curve at E Street and McKinley Avenue at 8:25 p.m. Police said Ellison told them his car, a loaner, began to fishtail and he lost control. It hit a tree first and then slammed into the utility pole.

Fireman from LaVerne and Pomona, plus police from both cities and an ambulance crew, had trouble removing Goodwin and the injured girl from the wreckage. Goodwin's death was the fifth in Pomona traffic this year.

Damien Seniors Among Top BA Award Winners

John Budnik

Mike Firth

SAN DIMAS -- Preliminary winners for the 1969 Bank of America Achievement awards program were announced this month.

Awards are given to outstanding high school seniors in the different fields of achievement which include, leadership, outstanding academic work and future contributions to society.

Winners of plaque signifying achievement for Damien are John Budnik who will receive the award for liberal arts achievements and Mike Firth for his outstanding achievements in mathematics.

Other awards include Certificates of Achievement which will be awarded to Dan Cronin for Mathematics, Robert Radocinski for laboratory sciences, Tom Baumann for English, John Petrovsky for social science, Tom Gosling for foreign language, Donald Divine for business, and Bill Johnston for Art.

John Budnik and Mike Firth are eligible for further competition where winners will be awarded up to \$1,000 by a judging panel made up of community leaders.

Twenty Damien seniors have been selected as semifinalists in California State Scholarship competition. Close to 6,000 scholarships will be awarded ranging in amount from \$300 to \$2,000. In order to qualify for state scholarship competition a score of over 92 on the Scholastic Aptitude test is necessary.

Winners will be announced in April. Damien Semifinalists are, Tom Baumann, Tom Beck, John Budnik, John Cocke, Dan Cronin, Mark Edelbrock, Mike Firth, Paul Geiger, Randy Jertberg, Alan Lathrop, Robert LuVisi, David Maher, John Petrovsky, Robert Radocinski, Marty Samuel, Jim Seriani, Peter Smiderle, Steve Thompson, and Frank Burns.

Retired Co. Employees Due For 3% Hike

Retired San Bernardino County employees were granted a three percent cost-of-living increase in their retirement checks by the Board of Supervisors this week.

The boost in annuities, to go into effect July 1, will be paid from profits from investments made with retirement funds. County Property Manager Jack Wilson, chairman of the Retirement Board, said the cost of living rose 4.7 percent during the past year, but under the law retirement benefits cannot be increased more than three percent annually.

According to Wilson, retired county employees have been granted two or three percent increases annually over the past four years. "It's a good thing for the economy," Supervisors' Chairman Ruben S. Ayala remarked. "It will put more money in circulation." Supervisor Nancy E. Smith emphasized that the annuity hike, financed from the retirement fund, will have no effect on the county tax rate.

Moving Expense Is Deductible In Some Cases

Anyone who moved last year to take a new job may be able to deduct the costs of the move on his federal income tax return, F. S. Schmidt, District Director of Internal Revenue for Southern California, said today.

The deduction is also allowed taxpayers who move in order to find a new job, Mr. Schmidt said.

To take advantage of this tax provision, the new job must be at least 20 miles farther from the taxpayer's old home than his previous job was. Also, the taxpayer must be employed full-time at least 39 weeks during the 12-month period following the move.

Mr. Schmidt said that when these qualifications are met, the taxpayer does not have to itemize his other deductions to be able to deduct his moving expenses. Form 3903, available at local IRS offices should be used to list the deductible moving expenses.

Deductible expenses are the cost of moving household furniture and personal effects, and travel costs for the taxpayer and his family including meals en route.

If a taxpayer's moving costs are paid by his employer, he should reduce his deduction by that amount. Any reimbursement in excess of the moving costs must be reported as income.

Details on the moving expense deduction are given in Publication 521, "Moving Expenses - Tax Information for Employers and Employees." For a free copy send a post card to the District Director, Internal Revenue Service, Tax Forms P.O. Box 1711, Los Angeles, Calif. 90053.

SF Ballet Due In Claremont

CLAREMONT --- In their only Los Angeles performance this spring, the San Francisco Ballet will appear in Bridges Auditorium at the Claremont Colleges, on Tuesday, April 15, at 8:15 p.m.

The performance in Claremont will begin with "Variations De Ballet" based on the character themes and folkways done in a classic medium, "Filling Station," a major work in the development of the American dance theater, offering a droll comment of life in the 1930's, will also be presented. "Totentanz," suggested by the medieval Death Dances, but reflecting the present with its extremely contemporary music and choreographic techniques, will be the final offering of the evening.

The appearance of the San Francisco Ballet at Claremont replaces the December, 1968 performance of Uday Shankar and his dancers, which was canceled. Season ticket holders will be mailed replacement tickets on April 1.

Reservations may still be obtained by contacting the Bridges Auditorium Box Office, Claremont, California 91711, or by telephoning 626-8511, Ext. 2243.

Riverside Slates April Grand Prix

America's most serious attempt to professionalize open-wheel road racing, the new SCCA Continental Grand Prix circuit, will be launched at Riverside International Raceway the weekend of Apr. 19-20.

Two races paying a total of \$15,000 in prize money will comprise the Riverside Continental Grand Prix, and they will be co-features of a full weekend of sports car, sedan and formula road racing.

Some of the nation's best known sports car drivers will be making their debut on the three-year-old GP circuit this year. Riverside is a logical starting place for such outstanding men as George Follmer, Lothar Motschenbacher, Jerry Grant, Sam Posey, Tony Adamowicz and Ron Grable.

Tickets for the Riverside Continental are on sale at the Raceway and at Wallich's Music City Stores. Advance sale tickets provide fans with two days of action for the price of one Sunday admission, \$5.

Grandstand seats will be free on a first-come basis both days.

Backing up the two races will be regional championship action by amateur drivers of the California Sports Car Club region of SCCA. Cal club races will be held both days.

Weight-watching? There are many delicious, nutritious and low-calorie fish dishes your family can enjoy while you battle the scales. Try this taste treat from A.I. Sauce Co. home economists:

BAKED SALMON STEAKS

1 1/2 lbs. salmon steaks, cut 1/2" thick
1/2 cup milk
1 tsp. A.I. Sauce
1 cup dry bread crumbs
2 tbsp. margarine
parsley, radishes, lemon wedges

Have steaks cut into 4 uniform pieces. Mix together milk, A.I. Sauce. Dip fish in mixture, roll in crumbs until thoroughly covered. Arrange in greased shallow baking pan. Dot with margarine. Bake 10 minutes in oven preheated to 500°. Arrange on platter with radish rosettes, parsley. Serve with lemon wedges. Makes 4 servings.

USING A SCARF -- Scarf fashion is making packing easier for the traveler, according to Miss Carol Lane, women's travel director for the Shell Oil Company. Big, bright, bold colorful scarves can be easily converted from a collar to a blouse. They take up so little room in the suitcase, travel almost wrinkle-free and are practically weightless. Miss Lane, a lecturer, writer and traveler, develops travel ideas for women. Her latest is a folder complete with illustrations and instructions for converting a 36" scarf into 11 different costume uses, and may be obtained without charge by writing her at Shell Oil Company, 1008 West 6th st., Los Angeles, 90054.

Pomona Catholic Seeks Members Of Class Of '59

Pomona Catholic High School Class of 1959 Pomona Catholic High Schools graduating class of 1959 are making arrangements for their 10 year class reunion. All persons interested, or anyone knowing the whereabouts of any class member please contact Mrs. Lyn Shull (nee, Mary Pulver) at area code 714-987-3779, as soon as possible. The committee is short of addresses and need to send out questionnaires and information to all graduates.

Real Discount Pricing is NOT a game!

While it's sometimes fun to gamble, it's also expensive! You don't expect something for nothing . . . That's why, at Lucky Supermarkets, Discount Pricing is NOT a game—it's a most serious business!

The modern homemaker who shops at Lucky knows her basic math . . . She knows that if a store can offer thousands of dollars in money and merchandise to a few customers—or sell a few fast-moving items at less than cost—the losses MUST be made up somewhere, or the store won't be in business very long. She knows that it takes EXTRA MONEY to advertise so-called "specials" and "sales" in newspapers every week . . . EXTRA LABOR to mark and re-mark bounding prices . . . EXTRA TIME to figure all those stamps, coupons, and other gimmicks at the check stand. Most important, she knows that ALL THOSE EXTRAS WILL BE ADDED INTO HER GROCERY TOTAL EVERY TIME SHE SHOPS!

That's why way back in 1963 Lucky eliminated the games, the stamps, the expensive come-ons, the gimmicks that keep food prices so high in other stores. Lucky refuses to play games with your grocery dollar. That's why shopping at Lucky is different . . . and that difference is our prices!

You'll find all the nationally known brands at low prices. You'll buy top quality meats and produce for less. You'll enjoy the large selection, and you'll like the savings. Shopping at Lucky will allow you to eat better, live better, on a lower food budget. You'll like shopping at Lucky!
